IT is a MMI policy that cadets may not borrow or loan their vehicle to another cadet. Exception to this policy must be approved by the Commandant of Cadets. Loaning a vehicle will require written permission from the legal owner of the vehicle and proof of insurance.

The hanging tag you received will always be visible while on campus. You cannot drive to PT, sport games/practices, or across campus, unless you are leaving campus for pass or leave. The following areas are off limits for vehicles: behind Rane Barracks/Dining Facility, in front of classrooms, faculty spaces, Ireland Athletic Center, and in front of the Chapel.

Improper use of auto, according to the Cadet Manual, is a Category II offense and immediate restriction to campus. If your vehicle is towed, it is your responsibility to redeem it. After three vehicle violations in a consecutive year, all vehicle privileges will be taken.

IN ACCORDANCE WITH CADET REGULATION, ALL VEHICLES ARE SUBJECT TO SEARCH WHILE ENTERING, LEAVING, OR PARKED ON THE MARION MILITARY INSTITUTE CAMPUS.
