

MARION MILITARY INSTITUTE
COVID-19 Testing Report 2021
Based on campus testing regime

1/22/21 7 students positive from semester entry testing (1/4 to 1/22) conducted both on campus & at-home

1/29/21 0/119 positives from weekly sentinel testing

2/8/21 0/125 positives from weekly sentinel testing

Campus community COVID-19 positivity rate **1.17%***

**as of 2/8/21*

NOTES:

Marion Military Institute completed the Fall 2020 semester with a campus testing positivity rate of 1.7%

MMI employees testing off-campus are not factored into the 2021 on-campus positivity rate due to the variability of off-campus circumstances and reporting, and so do not accurately reflect the on-campus environment which is based on the on-campus testing program.
