

## **Julee Abrams Kemp, 1989–1993 HS**

Julee attended MMI for all four years of highschool and is extremely grateful for the excellent leadership experiences and high-quality academic instruction that she received during that time. Having attained degrees in Elementary Education (University of Montevallo) and Special Education (Lipscomb University) after leaving MMI, Julee has found that the values, abilities, and personal mindset shaped by those crucial years as a cadet have made a positive impact on her success and proficiency as an educator over the years. A descendants-long native of Marion, Julee has two grown children and now makes her home in Tullahoma, TN.
