## A Message from the Office of the Commandant of Cadets

Dear Cadets:

Congratulations on your decision to become a member of the Marion Military Institute (MMI) Corps of Cadets. You are now part of a long-line of history and accomplishment. Our military model is over 130 years old and has proven effective and resilient. We count over 200 flag officers in all services along with countless notable alumni in all fields of human endeavor which proves our model.

Life in the Corps is both challenging and fun, all of which is intended to stimulate and advance your physical and intellectual capabilities as well as your critical thinking and decision-making abilities. *What you get out of your time here at MMI is directly related to the amount of effort you put into it.* The faculty and staff are dedicated professionals who are driven to provide you every opportunity to succeed and reach your potential.

MMI is a leadership college, and the Corps of Cadets serves as an instrument to implement, assess, and reinforce the education and training critical to your personal and professional maturation. During your time here at MMI each of you will play a critical role within the Corps as both follower and leader. A successful leader is also a good follower, and both followership and leadership require the attributes of patience, understanding, respect, self-discipline and above all, integrity.

These attributes are imbued in MMI's motto of *Truth, Honor and Service* and reinforced through an honor code and honor system intended to advance the leadership and character development of all cadets. The MMI Honor Code states: *I will not lie, cheat, or steal.* MMI's Honor Code is not intended to serve as a coercive tool for peer leaders, faculty, staff, or anyone associated with the College. The Code is something to be embraced as a mechanism to guide thoughts, actions, and honorable living. We want you to live in the "*spirit of the code*". Many of you, especially when you advance as peer leaders, will face personal or professional dilemmas that may challenge your decision-making process. If you follow the Honor Code, regardless of the possible short-term repercussions, you will be successful here and in the future.

The *Cadet Manual* outlines rules, regulations, and policies intended to guide your decision-making process and reinforce MMI as a values-based organization. It is imperative that you read and understand the information contained within this document. If you have any questions or concerns, please notify your chain of command or your TAC officer.

Once again, congratulations on your choice to join the MMI's historic Corps of Cadets.

**Truth, Honor, Service – We hail the Corps!**

Colonel Edwin W. Passmore, USA (ret)

# CHAPTER 1 INTRODUCTION

## **1.1 MMI Mission Statement**

Marion Military Institute, a two-year public institution of higher learning, educates and develops cadets as future leaders through an immersive experiential military environment that integrates intellectual, leadership, character and physical development in order to prepare them for success at four-year colleges, U.S. service academies, and in military or civilian careers.

## **1.2 History of MMI**

Marion Military Institute (MMI) is the nation's oldest military junior college tracing its origin back to 1842 with the founding of Howard College in Marion, Alabama. During the Civil War, the Chapel and Lovelace Hall, both built in 1857, were used as Breckinridge Military Hospital, treating both Union and Confederate soldiers. Howard College remained in Marion until the Alabama State Baptist Convention made the decision to move the college to Birmingham, Alabama in 1887. It later becoming Samford University. At the time of the move, Colonel James T. Murfee was the Howard College president, a position he had held since coming to Marion in 1871 from the University of Alabama. Murfee along with several of the faculty and trustees, chose to remain on the existing campus in Marion and formally establish MMI. He and the new MMI Board of Trustees developed and implemented institutional policies demanding high standards for the development of character, academic excellence, and military traditions, which have been the hallmarks of MMI ever since.

Hopson O. Murfee, MMI's second president, was one of the foremost advocates of a student run government that focused on honor and ethics within the student body. Because of this, MMI was one of the first schools in the south to establish a student government association as well as an honor system, both of which are still very much a part of the Corps today. Under H.O. Murfee's leadership the school achieved national recognition. William Howard Taft served as President of the Board of Trustees, and Woodrow Wilson, President of Princeton University at the time, was the featured speaker at the convocation held in the MMI Chapel in 1905. In tribute to Woodrow Wilson and Princeton University, MMI's school colors were changed to orange and black, and the tiger was adopted as the mascot.

The Service Academy Program had its beginnings at MMI with the establishment of the Army-Navy department in 1910. The Army ROTC program was introduced in 1916 in response to WWI, and the Army ROTC Early Commissioning Program was established in 1968 at the height of the Vietnam War.

Until World War II, the campus consisted of primarily two buildings; the Chapel and Old South (Lovelace) Barracks, both from the old Howard College era. The MMI campus currently encompasses over 160 acres and includes 38 buildings.

MMI continued as a private institution that included both a high school and a junior college governed by an MMI Board of Trustees until 2006 when the Alabama legislature voted to merge the institute into the Alabama Community College System. The high school was disestablished,

and MMI became a military junior college only. Today MMI is as a member college of the ACCS and is governed by the ACCS Board of Trustees. MMI is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS) to award Associate of Science and Associate of Arts Degrees. Additionally, MMI is a member of the Association of Military Colleges and Schools of the United States and the National Junior College Athletic Association.

### 1.3 The MMI Crest

The MMI Crest was adopted over 100 years ago and is grounded in the symbols of the University of Virginia and the University of Pennsylvania. At the top are three flags. The American flag is centered and flanked by the Alabama state flag and the historic MMI flag. Immediately below those are the eagle's wings symbolizing protection. Gold is the color of generosity. "Truth, Honor, Service" are MMI's core values.

Shields are traditional for crests and serve as a symbol to protect and safeguard the individual and the values of the organization. The top center of the crest represents the date MMI was founded, 1842. The upper portion of the shield has the top of the red St. Andrew's cross, which represents Alabama's flag. Red represents military strength. Only the top of the shield is shown, as it is foundational. The ribbon is blue to signify truth and loyalty and includes the words "Marion Military Institute" flanked with four stars on either side. The lower portion of the shield consists of two parts. The lamp is borrowed from the University of Virginia and represents light, life, and spirituality. The book is borrowed from the University of Pennsylvania and symbolizes education and manifestation.

## **1.4 Outcomes**

All facets of the educational experience at MMI are intended to:

- a. promote critical thinking and ethical decision making;
- b. promote leadership and character development;
- c. advance and sustain physical fitness and wellness; and
- d. develop self-confidence, poise, and respect for others through self-discipline.

The day-to-day academic, military, physical, and character development of the cadet is intended to satisfy the outcomes as noted above. While faculty and staff are committed to help all cadets achieve personally and professionally, each cadet must accept responsibility to support his or her personal and professional growth and development. The greatest attribute to satisfy the many demands of an MMI cadet is through self-discipline and self-realization.

## CHAPTER 2 HONOR SYSTEM

### 2.1 Cadet Honor Code

*“I will not lie, cheat, or steal.”* These simple words provide a personal code of ethics designed to serve any young man or woman for a lifetime. The Honor Code is specific and clear in what it demands. A cadet is expected to demonstrate integrity in both word and deed; therefore, a cadet does not quibble or communicate evasive statements. Such expectations apply throughout the course of a cadet’s tenure at MMI. Maintaining the Code’s high standards of trustworthiness is the responsibility of each member of the Corps of Cadets. A cadet is expected to report oneself for a violation of the Honor Code and to confront any other cadet suspected of violating the Code and ensure the violation is reported if not corrected on the spot (see para 2.4)

The precepts of the Code are fundamental to the American ethic and are tools for self-discipline. It is a basic moral document covering only substantial matters of morality. By its very wording, it sets its own boundaries and is intended to instill in all cadets a sense of moral responsibility.

Honor, as interpreted by the Cadet Honor Code, is a sense of that which is right, just, and true. Each member of the Corps of Cadets is expected to abide by the Code. Living under the Code teaches morality, discipline, and integrity, and fosters moral and ethical responsibility. It is intended that each member of the Corps of Cadets views honor as the most cherished principle among their individual values, for it is the fundamental attribute of good character. Honor is based on respect for self as well as respect for others. Honor requires self-discipline and moral courage, and its underlying principle is Truth.

The Cadet Honor Code requires integrity in both word and deed and permits no deviation from its standards. A cadet is truthful, both in act and implication. The Honor Code demands fearless honesty in setting forth the truth, regardless of consequences. To reiterate, quibbling, evasive statements or technicalities used to shield guilt or defeat the ends of justice are not tolerated.

The Honor Code of the Corps of Cadets belongs to you - the Corps of Cadets. For it to be effective, you must believe in it and live by it. The spirit and principles that make the Code a living and working entity cannot be completely codified in writing. It is not possible to enforce the Code by regulations alone. The Honor Code annex to this manual is published to outline the basic principles of the Honor Code, to present the organization of the Honor System, and to standardize procedures for addressing allegations of honor violations. The Honor Council will be conducting further training throughout your time at MMI. Any Honor Council member can answer specific questions about the Honor Code. Each Company will have an Honor & Respect Education Officer also available to answer questions.

Being an honorable person is the first step in leading a successful life. Your commitment to Honor as a cadet at MMI is reinforced through the Honor Code and other applicable pledges of conduct as outlined below.

## **2.2 Pledges**

Pledges are intended to provide clarification and specificity to ensure compliance with all federal, state, local, and MMI laws, rules, regulations and policies. Each cadet will be held responsible and must ensure they fully understand and comply.

### **Standards of Conduct Pledge**

I pledge to uphold the highest traditions and standards of Marion Military Institute. I respect the foundation laid by the cadets who came before me, I appreciate the opportunity to attend a college of such tradition and rich history, and I acknowledge the high expectations of me. Likewise, I understand that any breach of MMI rules and regulations can lead up to and include dismissal or expulsion.

### **Anti-Drug Pledge**

I shall not at any time consume, bring, or cause to be brought on campus or have in my possession or in my room, alcoholic beverages, unauthorized controlled substances, or any dangerous or illegal drugs.

### **Computer Use Pledge**

I shall not use MMI's equipment including computers, connectivity, servers, routers, and such to engage in the use of vile, crude, or vulgar language and/or lewd photographs, drawings, or videos. Likewise, lewd, crude, or vulgar criticism of other cadets, faculty, staff, and administration will be considered "Conduct Unbecoming of a Cadet." I also pledge not to post anything involving or picturing actual or suggested use of alcohol, tobacco, illegal drugs, firearms of any kind, or violence to others or myself.

## **2.3 Cadet Responsibilities**

Each cadet has five responsibilities under the Honor System to include:

- a. A thorough knowledge of the MMI Honor System;
- b. Being dedicated to living a life of honorable service;
- c. Conducting oneself in such a manner that his/her own honor is above reproach including reporting oneself of any Honor Code violation;
- d. Assuming a portion of the responsibility for the conduct of fellow cadets through a willingness to confront others observed to be lying, cheating, or stealing; and
- e. Reporting violations of the Code.

Cadets are expected to live by the Code they sign at the beginning of the academic year, which states, *"I hereby agree to uphold the Honor Code of Marion Military Institute. Therefore, I pledge that I will not lie, cheat, or steal."*

Lying. Lying is making a false statement in any format (oral, written, or by gesture) with the intent to deceive or mislead. A cadet's word is a pledge that his/her statements are the truth without reservation. Oral or written reports, required within the context of cadet management and accountability, are official statements and must be complete and accurate. Lying includes employing technicalities, or making evasive or misleading statements to conceal guilt. Removing or altering official records is considered a form of lying under the Code. Other forms of lying may include obtaining leave authorization on false pretenses, signing out to a false location, knowingly signing in or out with an incorrect time, signing in for another cadet, or possession of false identification. It is possible to make a false statement in haste and without premeditation or thought. If a cadet makes such a statement, he/she must immediately correct the mistake. Such responses are considered "pop off" answers and, if immediately corrected, are normally excused. Likewise, reports or statements made in error and realized later to be false are excusable only if corrected in a timely manner upon realization of the error. To let a mistake go uncorrected is to allow a false statement to stand as the truth and is an honor violation.

Cheating. Cheating is attempting, or aiding in the attempt, to receive undeserved credit or to gain unfair advantage. It is to defraud or mislead. Any work done for a grade must be done without another person's help unless specifically authorized by the instructor. A cadet must never copy another cadet's work or compare answers during a graded exercise. Such exercises may include homework, laboratory reports, essays, or any other oral or written work submitted for grade. Cheating is also having prior knowledge of examination questions by means not sanctioned by the instructor so as to give unwarranted advantage over other classmates. In writing essays and themes, it is often necessary to use the ideas and words of others. Plagiarism is the use of ideas or words of another as one's own without giving the original source of the idea or writing credit. The intent to deceive is assumed by the act of plagiarism and is a violation of the Code.

Stealing. Stealing is the taking or wrongful possession of property without the knowledge or consent of the owner. Stealing involves the intent to permanently deprive the owner of his/her property. The intention to return property borrowed without the owner's knowledge is difficult to prove. Cadets are not to borrow items without permission of the owner. The unauthorized use of school or another's equipment such as telephones, copy machines, computers, or vehicles may be considered stealing and is a violation of the Code.

## **2.4 Ethic of Non-Toleration**

"... and not tolerate those who do." What does this really mean? MMI's Honor Code serves as an ethical anchor for the entire Corps of Cadets. It is a statement of values that binds cadets together more than any other aspect of the MMI experience. Any Cadet who doesn't share these core values, does not fully accept being in the Corps of Cadets. These very few Cadets will never embrace "living the spirit of the Code". Some Cadets, on the other hand, are still maturing and should be given the opportunity to take responsibility for their actions in order to learn and grow from the experience. Should a MMI Cadet witness or become aware of an honor code violation or potential for violation, they should consider taking the following steps:

- Discuss. Discuss the issue with the violator. Determine if it is willful misconduct or just a mistake. Attempt to reason with the violator to allow them to correct themselves. In

some cases, you may want to enlist your friends and fellow cadets to assist in this process.

- Seek Assistance. You can seek assistance from your Company Honor & Respect Education Officer (“Crow”) on a non-attribution basis. The Crow can advise you on different possible approaches and may be able to directly assist you.
- Report. Should other methods to mitigate the violation fail, then a cadet has no alternative but to report the violation to:
  - o Any Honor Council member
  - o Company Honor and Respect Education Officer.
  - o TAC or Commandant’s Staff member
  - o Honor Council Sponsor

Remember. By dissuading your peers from committing an Honor Violation or reporting violations quickly, you may be saving a fellow cadet from serious consequences up to, and including, dismissal or expulsion from MMI.

## **2.5 Entrapment and Self-Incrimination**

No cadet or member of the MMI faculty or staff will employ the Honor Code in such a manner as to entrap or force a cadet into an admission of guilt. Cadets in doubt as to the interpretation of any specific requirement of the Honor Code or its application in a particular circumstance are to seek clarification from a Cadet Honor Council member or Company Honor & Respect Education Officer.

## **2.6 Honor Council Leadership Responsibilities**

A staff/faculty member will be appointed to serve as both a mentor and a sponsor to the Cadet Honor Council. Although the Commandant of Cadets assumes responsibility for the Honor Program, the Honor Council sponsor is entrusted with the routine operations of the Honor Council. Questions about the Honor Council should be addressed to the Commandant of Cadets or the Honor Council sponsor.

## **2.7 Honor Code Violations**

While the Honor Council ultimately reviews violations of the Honor Code, reporting of violations follows one of two paths. Accusations of academic cheating are initially reported to the Academic Dean whereas accusations of lying or stealing are reported to the Commandant of Cadets. The investigation of accusations and subsequent disciplinary action follow procedures outlined at the following links.

### **3.3 Call to Quarters (CQ)**

Call to Quarters is a time dedicated to study. All cadets must comply with the regulations governing conduct during CQ. Permission to visit for study purposes is authorized, but no more than three cadets will be permitted to study together in any room. Otherwise, permission will be on a case-by-case basis, and must be obtained from the TAC. Cadets are encouraged to utilize the library in support of study groups and sessions.

Morning CQ (AMCQ) extends from the beginning of the first academic classes of the day until the beginning of the lunch period. Quiet will be maintained on campus and throughout the barracks. During CQ music may be played at a low volume and should not be able to be heard outside of the barracks room. Rooms will be in inspection order from 0800-1200 and must be maintained in a neat manner throughout the day.

Mandatory Night CQ (PMCQ) is normally from 1930 until 2130 Sunday through Thursday. During PMCQ cadets will remain quiet, and there should be minimum movement throughout the campus. PMCQ is enforced by the cadet chain of command and is intended for studying, not personal time. Phones will not be authorized at this time, and all doors must remain open when a cadet is present. Food deliveries are not permitted during this time as it is dedicated solely for studying and academic preparation. Therefore, the only visitors can be study partners.

Cadets are prohibited from participating in electronic gaming to include, but not limited to, game consoles; playing cards or board games; uniform or room preparation; and watching television or movies during AMCQ and PMCQ. Five-minute transit time is permitted for movement between the barracks and the library or other authorized activity. Cadets will move directly to their study partner's room or to the library without stopping to linger. Internet access to social media and streaming services will be limited during PMCQ. Some sites will not be available.

### **3.4 Colors**

The most significant honor a cadet can undertake is the rendering of honors to the National Colors. The Honor Guard is charged with raising and lowering the national and state flags daily. Although subject to change due to schedule requirements, flags are raised daily at 0715 and lowered at 1800, 1700 during winter months.

All personnel will stop movement once Honor Guard Personnel have started to walk to the Honor Ground from the Bell Tower. All personnel will come to parade rest, assuming attention and present arms on the first note of reveille (am) or “To the Color” (pm). Personnel will order arms and carry on when the Honor Guard has completed raising or lowering the colors and the music has ended.

### **3.5 Leave/Pass Policy and Procedures**

**General:** During their tenure at MMI, cadets are authorized to take pass or leave. The terms “open” and “closed” weekends will be used to define the weekend leave policy. The term “closed weekend” will be used to designate weekends, or portions thereof, that require the cadet’s presence on campus. Overnight leave may be granted after the completion of training requirements (normally Friday and Saturday evenings). On weekends designated as “open weekends,” cadets may depart upon the completion of training. This period will start on the last class day of the week (normally Friday) at the time designated on the training schedule (normally 1500) or as announced, with the understanding that sufficient leadership will remain on campus to oversee the activities and decorum of those who remain on campus. In the event there are questions concerning a cadet’s privilege, the cadet concerned must contact their TAC officer and obtain clarification prior to taking leave.

**Passes:**

**Cadets who do not have PH/SH or are on Academic Probation.**

### **WEEKLY LEAVE SCHEDULE**

Leave Schedule A: Normal Leave

<b><u>Sunday</u></b>	<b><u>Monday</u></b>	<b><u>Tuesday</u></b>	<b><u>Wednesday</u></b>	<b><u>Thursday</u></b>	<b><u>Friday</u></b>	<b><u>Saturday</u></b>
Overnight Leave Ends	Type: Drive-Out	Type: Walk-Out	Type: Drive-Out	Type: Walk-Out	Type: Drive-Out/ Overnight	→

Normal Leave is the standard leave granted to cadets. The conditions that are required to remain on this leave schedule are as follows: Corps-wide accountability rate (accountability rate is the percentage of cadets properly accounted for versus unexcused late arrivals and unaccounted for cadets) is at 95% or better, concurrence of the Chief Academic Officer, and minimal to no serious incidents during the reporting period. *NOTE: The Corps will revert to the “Reduced Leave” schedule below one week before and the week of mid-terms and final exam periods. This can be extended to two weeks before upon the recommendation of the Chief Academic Officer.*

Leave Schedule B: Reduced Leave

This leave schedule, when enacted, will remain in effect until the accountability rate reaches 97% or above for 2 continuous weeks with zero serious incidents during the reporting period. This reduced leave schedule will be used the week prior to Mid-Term and Final Exams. This can be extended to two weeks prior upon recommendation by the Chief Academic Officer.

**Pass Uniform:** Appropriate Civilian Attire (ACA) (see paragraph 6.6) is required when on pass. Class C (Ops) is required for all school sponsored activities off-campus unless otherwise instructed (i.e., school sponsored events at Judson, Club and Organizational Activities).

**Late Return:** Cadets who find they will be unable to return to campus at the required time should contact their cadet chain of command as well as their TAC Officer. If the cadet cannot reach either of those, they may contact the Commandant of Cadets’ Office (during duty hours) at 334-683-2322 or the OC (after duty hours) at 334-292-9690. Only the cadet’s TAC Officer can determine whether or not their reason for being late is valid. Such notification will not excuse the absence, but it will prevent the cadet from being carried as Absent Without Leave (AWOL). Late return will be excused only for bona fide emergencies upon confirmation. Cadets who are delayed due to automobile difficulties must submit documentation to substantiate their late arrival.

**Signing In/Out:** All cadets will sign in/out at the Guard House. Each cadet is personally responsible for signing themselves in and out – this cannot be delegated to another cadet. Cadets only need to sign out at the guard house for regular leave (that has been granted by a TAC Officer with a properly filled out leave form) and medical leave.

Wednesday/Weekend liberty sign-out/sign-in will be maintained at the company level and will be turned in to the Corps S-1 NLT 2130 on both Wednesday and Sunday.

### **Leaves:**

**Regular Leave.** Cadets must complete a leave form when traveling for more than 12 hours or will remain off campus overnight. If a cadet will miss one or more academic classes, the CIO must approve the request to have the absence(s) excused. Cadets may sign out on leave if they complete their penalty hours, are not restricted, and do not have duty. Appropriate Civilian Attire (ACA) will be worn while on leave (see para 6.6). The Commandant of Cadets' Office and the TAC or OC (in the absence of a TAC) are final approval for leave.

**Medical Leave (ML).** Medical leave is taken for illness, injury, doctor's appointments, and other medical-related reasons. A medical leave form (yellow in color) is issued by the Cadet Health Center (CHC). Medical leaves will only be issued for the time of the appointment and travel time to and from such. Cadets are required to provide the CHC with an excuse from the physician seen for all appointments not scheduled by the CHC for the absence to be excused. Normally the cadet will go and return the same day. Classes missed because of a medical leave are excused automatically. If a medical appointment is scheduled at a cadet's home of record on the first or last school day of the week (typically Monday or Friday) and the cadet wants to stay for the weekend, a pass must be attached to the medical leave. Standard rules for uniform wear will apply. Cadets will turn in the medical leave form to the Guard House when departing and will sign in when returning. **Only the Director of Health Services may authorize a medical leave.**

**School Closing.** Holiday breaks are announced for all cadets at Thanksgiving, Christmas, and Spring Break. Holiday break periods are designated on the current School Calendar. **All cadets must leave campus during these periods.** At the end of each semester, cadets (unless required for official duty such as guard detail, varsity athletics or commencement) must depart campus immediately following their last exam and **in no case** later than 1800 on the last day of classes preceding the break. Exceptions must have written approval from the Commandant of Cadets.

### **3.6 Mandatory Formations**

All scheduled events and formations on the training schedule are mandatory. At these times, all cadets must be present or excused. Unexcused absences will result in disciplinary action being taken.

### **3.7 Public Actions**

Cadets must always conduct themselves in a proper manner. All cadets will refrain from spitting, using profanity, and doing other things that demonstrate a lack of respect for other people. Improper Public Displays of Affection (PDA) such as holding hands, kissing, or hugging, while in uniform or on campus is also not tolerated. This conduct constitutes “conduct unbecoming of a cadet” and may be subjected to disciplinary measures as appropriate.

### **3.8 Taps**

Taps is sounded at 2200 on Sunday through Thursday, and 2359 on Friday and Saturday night. During Taps all cadets, except those with late light privileges, must have lights off. Cadet leaders with accountability responsibilities may be granted late privileges of one-half hour. Company commanders are expected to maintain order and quiet.

### **3.9 Jogging/Running (see also MMI SOP: Physical Fitness Program and Facilities)**

Cadets are encouraged to use the MMI campus as much as possible for jogging and running. In all cases, good judgment must be exercised. The routes depicted in this section should be followed to the maximum extent possible to ensure the safety of the runners. Runners should exercise extreme caution on Lakeland Farms Road (CR-20) and use of the Buddy System is mandatory. In all cases, civilian pedestrian and vehicle traffic will have the right-of-way and any conflicts with civilians will be reported to the Commandant of Cadets’ Office as soon as possible.

Cadets will run facing traffic and use visibility-enhancing materials such as reflective belts and/or vests. Cadets will not wear headphones or ear buds while running, especially on public streets. The MMI track is the only exception and even then cadets are not authorized to use them until actually on the track. When running in formation, cadets will use road guards and follow vehicles, as needed. Songs or chants sung by formations running will not include profanity or offensive language. Cadets will wear the Class E uniform when running. No other athletic apparel is authorized.

#### **4.7 Leadership Selection, Promotions, and Reductions in Rank**

**Leadership Selection.** Prior to the Leadership Selection Board convening, cadets with a cumulative GPA of 3.0 or higher will provide biographical information and requests for consideration for leadership positions within the Corps of Cadets. The Band Director may also nominate cadets to compete for the position of Band Company Commander. The TACs will then review packets and select those who will attend the board. The board will consist of five members of the MMI Faculty and Staff. Upon completion of the board, the board members will rank all candidates and recommend a list of approximately five for the positions of BC, XO, and CSM to the Commandant of Cadets for review. The Commandant of Cadets will then vet the list with the Executive Vice President, the CIO (Academic Dean), the Athletic Director, and the Professor of Military Science for issues concerning academics, discipline, or inappropriate conduct or behavior. Once this is complete, the Commandant of Cadets will rank the finalists for consideration and approval by the President. When the President has approved the top three leadership positions, the remaining names will be returned to the Board where candidates will be given due consideration for the remaining leadership positions. The Board will ultimately forward recommendations to the Commandant of Cadets who will select the remaining chain of command positions.

The intent of the Board is to ensure all cadets who have a grade point average GPA of at least 3.0 and who have demonstrated leadership excellence, as evidenced by a recommendation from their company TAC officer, Commandant of Cadets, or the MMI Band Director, are provided the opportunity to compete for a leadership position within the Corps of Cadets. The comprehensive performance of a cadet over a semester or academic year will carry considerable weight when selecting the Corps of Cadets leaders.

#### **GPA Requirement for Leadership Positions.**

In order to fill a leadership position within the Corps of Cadets, cadets must maintain the minimum cumulative Grade Point Average (GPA) as required by the chart below. The company TAC Officer has the authority to grant a waiver of up to .099 for a cadet in otherwise good standing to remain in or fill a leadership position within his/her company. Any waivers of .1 and above are to be determined by the Commandant of Cadets. Example: A Platoon Sergeant has a cumulative GPA of 2.67 but the required GPA is 2.75; this can be waived by the TAC Officer. A Squad Leader with a GPA of 2.38 but the required GPA is 2.5 can only be granted a waiver by the Commandant of Cadets. Any waivers granted must be done in the form of a written counseling and a further evaluation will be made when mid-term grades are published.

<b><u>Position</u></b>	<b><u>Required GPA</u></b>
Squad Leader (SL)	2.5
Organizational Commander	2.5
Platoon Leader (PL)	2.75
Platoon Sergeant (PSG)	2.75
Company Commander (CO)	3.0
Company First Sergeant (1SG)	3.0
Company Executive Officer (XO)	3.0
All HQ positions	3.0

**Promotions.** Company TAC officers will be authorized to promote cadets in their charge to the grade of Sergeant First Class and assign duty positions commensurate to that rank. The Commandant of Cadets will approve all promotions and duty positions from the rank of First Sergeant through Major, with the exception of the XO and CSM. The Commandant of Cadets will recommend, and the President will approve, the cadet leadership positions of BC, XO, and CSM.

**Reduction in Rank.** Through written counseling, company TAC officers may reduce a cadet in the rank of Sergeant First Class and below. The Commandant of Cadets is authorized to reduce all cadets in rank and position within the Corps with the exception of the BC, XO, and CSM. In these cases, the Commandant of Cadets will recommend such reduction to the President for approval.

#### **4.8 Cadet Organizations**

Student organizations should offer their members opportunities to enhance, explore, apply, practice, and integrate knowledge and skills gained through pursuit of academic study, leader and character development. The Office of the Commandant of Cadets oversees all cadet organizations with the program administered by the Assistant Commandant for Administration and Operations. Cadet organization registrations remain valid through the academic year. All registration forms and information are available in the Assistant Commandant's office.

Registered cadet organizations are sanctioned school activities and must be constituted per the school's foundational tenets. These organizations must comply with all cadet regulations and must contribute to the mission of MMI. Organizational activities, on or off campus, must have staff or faculty sponsorship and be subject to regulations and monitoring by the appropriate sponsor. Registration allows cadet organizations to enjoy privileges granted by the Institution when the organization meets minimum standards for registered status.

An on-campus organization must provide a service to both MMI and the campus community. Membership in an unauthorized organization or wearing paraphernalia of an unauthorized organization on campus is prohibited. Unauthorized means the organization's charter has not been approved and the organization is not registered with the Assistant Commandant for Administration and Operations.

Standard privileges granted to all cadet organizations completing the registration process include:

- a. Use of MMI facilities for meetings,
  - b. Sponsorship of events,
  - c. Organization mailbox services,
  - d. Eligibility to obtain a cadet organization E-mail and website/social media account.
  - e. Opportunity to participate in Orientation Day activities,
  - f. Inclusion in the Cadet Organization Directory, and
  - g. Organization's photograph in the yearbook.
- a. **Registration of New Organizations and Inactive Organizations.** All cadet organizations considered new, or inactive for two consecutive academic semesters, must file a completed Declaration of Intent form with the Assistant Commandant for

Administration and Operations. Privileges afforded prospective cadet organizations are limited to use of MMI facilities for meetings, permission to publicize meetings for membership recruitment, and completion of the registration process. Organizations must ensure the following information is on file with the Assistant Commandant for Administration and Operations:

- i. A completed proposal including the names and signatures of cadet officers, the name, telephone number(s), and signature of a full-time member of the MMI faculty or staff willing to serve as advisor/sponsor to the organization, and the signatures of at least ten currently enrolled MMI cadets interested in organizational membership;
- ii. One copy of the organizational constitution and by-laws (required format available from the Assistant Commandant for Administration and Operations); and
- iii. One copy of the constitution and by-laws of any related or affiliated national organization (if applicable).

b. **Withdrawal and Denial of Registration.** Once approved, organizations will maintain their status indefinitely unless revoked by order of the Commandant of Cadets or President, or at their own request. No cadet organization will be officially registered with the Commandant of Cadets' Office if the President determines organizational activities are detrimental to the mission of MMI. If the Commandant of Cadets denies registration of a new cadet organization, they will notify the President and advisor/sponsor of the organization in writing of the recommendation to deny registration. The organization denied registration may appeal to the President of MMI within five working days from the date of denial notification correspondence. The decision of the President is final. If the organization fails to appeal withdrawal of registration within the specified time period, the withdrawal decision is final. The Commandant of Cadets reserves the right to recommend withdrawal of registration of a cadet organization for:

- i. Failure to comply with regulations governing cadets and cadet organization or
- ii. Loss of recognition by, or membership in, its respective national organization.

Membership in registered cadet organizations shall be open to all students of MMI without regard to race, religion, gender identification, or national origin. Registered cadet organizations must inform the MMI community of organizational membership criteria and selection processes including membership application deadlines. Selection criteria must be relevant to the goals and objectives of the organization. Organizations with selection criteria adversely impacting a particular segment of the MMI community must eliminate those criteria.

Registered cadet organizations maintaining an account outside of MMI must keep accurate records of funding sources and disbursements including the amount of income and expenditures; the means of generating funds and approving expenditures; and the purpose of expenditures. Cadet organizations must keep receipts for funds expended and must issue receipts for money collected. Members of registered cadet organizations have

the right to know how organizational funds are collected and disbursed. Additionally, sources and amounts of organizational revenue expenditures are to be available as public knowledge. Organizational funds should be dispersed by use of checks rather than cash. All checks must include the signature of the advisor and one officer, preferably the president or treasurer. Solicitation and fund drives to support specific organization activities are authorized for approved cadet organizations with specific guidance. To ensure that donors are afforded tax benefits allowed under paragraph 501.c.3 of the Internal Revenue Service Tax Code, and that their gifts are properly acknowledged and credited, all fundraising activities at MMI are conducted under the supervision of the Advancement Office. All funds collected are deposited in MMI fund accounts held by the Business Office. Organizations wishing to raise funds must do so for a specific limited purpose, must have their plan approved by the Commandant of Cadets and the Vice President for Advancement, and establish a fund account with the MMI Business Office.

The primary officers of a registered cadet organization (president, vice president, secretary, treasurer, or the equivalent) must be currently enrolled cadets. Officers of cadet organizations must be in good disciplinary standing, maintain a cumulative 2.75 GPA, and exemplify good citizenship to hold office. The responsibility of verifying GPAs rests ultimately with the organization and organization advisor and can be temporarily waived by the Commandant.

The only three cadet organizations that are authorized a commander's rank (Cadet First Lieutenant, c/1LT) within the MMI Corps of Cadets are as follows:

- Honor Guard
- Swamp Fox
- MMI Knights

#### **4.9 Advisors/Sponsors**

Advisors/Sponsors of registered cadet organizations should share insights and directions with cadet leaders to ensure cadet organizations promote organizational objectives and enhance the meaningfulness of organizational membership. Registered cadet organizations have the right to request a new advisor at any time according to procedures outlined in the organizational constitution and by-laws. Primary responsibilities of the organizational advisor include:

- a. Overseeing all financial transactions and receiving all bank statements;
- b. Ensuring officers have a minimum cumulative 2.75 GPA and are currently enrolled at MMI;
- c. Providing consultation concerning membership selection procedures and responsibilities, conducting an initial overview of membership outcomes, and reviewing profiles of newly selected numbers.
- d. Performing other duties deemed appropriate by the organization and outlined in the organizational constitution and by-laws.

**Cadet Organization Categories.** Cadet organizations provide MMI cadets with various opportunities to become involved in co-curricular and extracurricular activities and programs. Based on the purposes and objectives of the organization as stated in the constitution and by-laws of the organization, cadet organizations should fall into one of the following categories:

- a. Academic. To foster the appreciation of a particular academic field or discipline among the student body.
- b. Military. To support academically, to develop professionally, and/or to encourage socialization among students with a common interest in military science.
- c. Political. To address political and governmental concerns and/or to promote interest in traditionally political issues at a campus, local, state, and national level.

Fundraising and solicitation for the benefit of individuals or groups not sanctioned by the Vice President for Advancement or the President is prohibited. Fundraising and solicitation activities for authorized cadet organizations must be approved in advance.

#### **4.11 Training Plan**

Those organizations that wish to conduct "cycles" for prospective members (e.g. Swamp Fox, MMI Knights) will have their training plans approved by the Commandant of Cadets and President. No cycle will be conducted without an approved training plan. Any activities imposed on prospective members outside of the approved training plan may be deemed "hazing" and subject to disciplinary action up to and including dismissal or expulsion for cadets and/or suspension for the club or activity.

#### **4.12 Service Project**

Each organization will be required to do at least one community service project each year. This can be an independent project or a collaboration with another club (such as the Leaders Club). All projects must be approved in advance by the Commandant of Cadets.

### **MARION MILITARY INSTITUTE CADET COUNSELING AND EVALUATIONS**

#### **5.1 Introduction**

The MMI Cadet Counseling and Evaluation Program is intended to support a comprehensive approach to cadet leadership and character development. Primary responsibility for the execution of the program is the Commandant of Cadets. However, the success of the program, in large part, will ultimately be determined by the Corps of Cadets itself through their individual and collective efforts to meet stated program outcomes.

The counseling and evaluation program is divided into two equally important functions. One function is designed for “on the spot” counseling and the other is designed to be an all-encompassing feedback initiative geared towards cadet self-awareness and improvement. The counseling and evaluation program is designed to be inclusive, and everyone in the Corps of Cadets will participate in the program.

#### **5.2 Purpose**

- a. Provide cadets a formal and structured process to enhance individual growth and development through self-assessment, peer-evaluation, and feedback from TAC Officers.
- b. Provide cadets a formal and structured process to counseling and feedback to promote leadership and character development, with an emphasis on honor and respect, in accordance with MMI’s mission statement and motto.
- c. Provide cadets a formal and structured process to conduct peer-to-peer counseling to maintain the high standards set by the Corp of Cadets and identify those cadets that are exceeding the standard and empowering cadet leaders to directly address cadet issues and actions.
- d. Provide cadets a formal and structured process to assess traits within themselves and provide performance feedback as viewed through the implementation of the peer-evaluation.
- e. Provide cadets with comprehensive, persistent feedback on their leadership and character development growth throughout the academic year.
- f. Enhance communication skills, self-confidence, and team-building.
- g. Enhance decision-making, critical thinking and judgment.
- h. Enhance coping skills and toleration for differences of opinion.
- i. Serves as an additional tool to assess the overall effectiveness of the Character and Leadership Development program at MMI.

#### **5.3 Learning Outcomes**

- a. Through self-assessments, peer-evaluations, and peer-rankings, TAC Officers will analyze, interpret, and assess information to provide feedback to promote both intra- and interpersonal skills critical to leadership and character development.

- b. Cadets identify and address both opportunities and issues designed to challenge, shape, and transform individual values and beliefs which promotes leadership and character development.

#### **5.4 “On the Spot” Feedback/Counseling Procedures**

- a. The “On the Spot” Feedback and Counseling approach is designed to give cadets in leadership roles the opportunity to develop character and leadership skills while maintaining set standards within the MMI Corps of Cadets.
- b. “On the Spot” feedback can be given to cadets that fail to meet standards or cadets that exceed MMI standards. It will also afford an opportunity to counsel the cadet on MMI standards or praise cadets that go above and beyond.
- c. The primary tool for “On the Spot” Feedback and Counseling is the MMI Form 1842. Each cadet will carry this form with them at all times.
- d. Cadet leadership will use the MMI Form 1842 to correct minor infractions or recognize outstanding performance. The cadet delivering the feedback and counseling will complete the MMI Form 1842 and give it to their TAC Officer for follow-up.
- e. This approach is designed to empower cadet leadership in enforcing the standard and recognizing those cadets that exceed the standard. It also reinforces ethical decision-making skills by requiring cadet leadership to be mindful that the overall goal is a positive outcome, either by praising outstanding performers or raising the performance level of those that find themselves not meeting MMI standards.

### **5.5 Cadet Counseling and Evaluation Procedures**

- a. The Cadet Counseling and Evaluation Program is a comprehensive approach to character and leadership development where each cadet is given the opportunity to gain self-awareness and insight to areas that need improvement through a series of counseling and feedback sessions.
- b. Initial Counseling will be completed in a group briefing by the company TAC Officers to set expectations and review standards. C-1 Initial Counseling will occur during ITC and C-2 Initial Counseling will occur shortly after returners arrive on campus. Each Company TAC Officer will also provide an Initial Counseling session with Company Leadership to set expectations and review position/duty responsibilities.
- c. Cadet Self-Assessments will be completed through the “TeamMates” website shortly after semester begins. This assessment will give each cadet the opportunity to gauge their own strengths and weakness along with goals for the school year.
- d. Mid-term Feedback will be accomplished by the Company TAC Officer after mid-term grades are published and will be annotated on Cadet Self-Assessment in “TeamMates”.

Mid-term feedback gives the TAC's the opportunity to measure each cadet's academic, physical, character/leadership development progress to identify and address any concerns. This will normally be accomplished virtually, but can be an in-person meeting at the TAC's discretion.

- e. Cadet Peer-Evaluations will be completed through "TeamMates" shortly after the spring semester begins. This evaluation allows cadets to provide performance feedback to their peers and Company Leadership along with peer rankings.
- f. TAC Evaluations will occur at the end of the spring and is the capstone feedback session. Each Company TAC Officer will use the "Leadership Rubric" to evaluate each Cadets' progress through MMI's four Focus Areas and give feedback for improvement. TACs will use the Cadet's Self and Peer Evals, along with Mid-term Feedback as tools to determine the leadership and character growth assessment.

## **CHAPTER 6**

### **UNIFORMS AND PERSONAL APPEARANCE**

#### **6.1 Discussion**

MMI cadets enjoy a reputation for high standards of personal appearance and demeanor. All cadets are expected to maintain this reputation on and off campus. Cadets on pass or leave within the city of Marion will wear appropriate civilian attire unless participating in an official school event (Uniform will be determined by MMI Official in charge of the event) or attending a local church service (C Ops). Cadets who visit local eating establishments, places of business, and private residences are expected to adhere to these standards at all times.

Cadets scheduled for physical therapy, or other types of medical appointments of a physical nature will be authorized to travel to and from the medical facility in the Class E uniform. Cadets are not authorized to patronize facilities or seek services other than those specific to their medical needs when in the Class E uniform.

Uniforms will be clean and pressed each day, and shoes will always be buff shined with sole dressing applied as necessary. Uniforms must be kept pressed, clean, and hemmed to provide a proper fit at all times. Unserviceable (spotted, torn, or badly worn) uniforms will be replaced. Regular cleaning will help preserve the life of the fabric and reduce unsightly stains and odors. The service cap and garrison cap should be brushed regularly to remove dirt and lint. Remove spots promptly with soap and water. All covers should be cleaned regularly. Keys, key chains, lanyards, or electronic devices will not be attached to the uniform on the belt, belt loop, or waistband of any cadet uniform (except during ITC when Name Badge is worn around the recruit's neck). Additionally, any lanyard, key chain, or similar item will be concealed from view on any cadet uniform or appropriate civilian attire when on duty.

Male cadets will be clean-shaven at all times while on campus or in uniform including weekends. Specifically, Cadets must be clean-shaven when signing in and out. Cadets are not granted a grace period to shave upon return to campus. Goatees, mustaches, and beards are not authorized. Any variation must be verified by medical documents from a dermatologist, not a general medical doctor and confirmed by a Cadet Health Center nurse. Tuition includes the cost of two haircuts per month at the cadet barbershop. See the Civilian Clothes section of this Manual for more information.

Uniforms are required on campus at all times. Wearing undergarments (e.g., tee-shirts issued for wear with military uniforms) as outer garments is prohibited.

#### **6.2 Composition and Purpose**

With the exception of the Class E and Operational Camouflage Pattern (OCP), all uniforms require the wearing of black oxford leather dress shoes (Corfam ® shoes with class A and B's only), black dress socks, white crew neck tee-shirts, and black web belt. Exceptions are discussed below.

- a. **Class A Dress Uniform.** The Class A uniform is the formal dress uniform and is authorized for year-round wear. It is worn for all parades and many of the formal

functions which occur on and off campus. It consists of the Class A jacket with mandarin collar secured about the neck and either black (for winter wear) or white (for summer wear) dress trousers; commonly referred to as Black or White Ducs. Care should be taken to ensure undergarments are modest and do not show through white trousers. A single white parade belt or sash will be worn with the jacket for all occasions unless otherwise directed by the Commandant of Cadets. Service caps, gloves, and swords (as applicable) will be worn with the Class A uniform for all parades. The campaign cover is authorized for company first sergeants. Berets can be authorized when the wearing of the service cap is impractical such as when carrying certain musical instruments.

b. **Class B Semi-Dress Uniform.** The Class B uniform is less formal than the Class A uniform, but more formal than the Class C duty uniform. The Class B consists of black dress trousers and white short-sleeve shirt (summer) or black long-sleeve shirt (winter). The black four-in-hand tie (males) or neck tab (females) is worn with the black shirt. The service cap is the standard cover when wearing the Class B uniform (the garrison cap can be authorized as an exception by the Commandant of Cadets).

c. **Class C Duty Uniform**

- i. Class C (Standard). The Class C uniform including all variations is the standard duty uniform. The Class C uniform consists of the gray short sleeve shirt and gray trousers. The garrison cap, beret, and campaign covers are authorized for wear with the Class C uniform. This is the duty uniform for summer wear. Black leather oxford shoes are the only authorized shoes with this uniform. (Corfams ® are only allowed with class A and B's).
- ii. Class C Midnight. Class C Midnight uniform is the same as the Class C but with the long sleeve black shirt in lieu of the short sleeve gray shirt. Class C

Midnight is the duty uniform during the winter months and is worn with the black four-in-hand tie (males) or black neck tab (females). The black four-in-hand tie will be tucked into the shirt between the third and fourth button from the collar. Black leather oxford shoes are the only authorized shoes with this uniform. (Corfams ® are only allowed with class A and B's).

- iii. Class C Optional. The Class C Optional or "C Ops" uniform is the same as the Class C but with the navy-blue polo shirt. No ornamentation is worn on this uniform. All cadets wear this uniform after 1600 on any given academic day, at any time during the weekend while on campus, or when attending a church service in the city of Marion. The Class C Optional polo shirt is authorized for wear with appropriate civilian attire (see 6.6). Black leather oxford shoes are the only authorized shoes with this uniform. (Corfams ® are only allowed with class A and B's). This uniform is the prescribed uniform for attending church services within the cities of Marion.
- d. **Class E (Athletic Uniform)**. Class E uniform consists of a company tee-shirt, black shorts, athletic shoes, and white socks. During winter months the gray MMI sweat pants, gray MMI sweat shirt, watch cap, and gloves may be added to the uniform, as directed by the chain of command. A reflective belt is mandatory when conducting PT outdoors.

Class E is required for PT or PE classes, intramurals, individual sports, jogging or running including off campus, and otherwise as permitted by the Commandant of Cadets. No part of the Class E uniform is authorized for wear in any academic, administrative, or dining areas, nor is it authorized to be worn in any establishment off campus. The Class E uniform is not an authorized uniform to be worn to MMI Athletic Events, to include athletic events that are held in the IAC. Class E uniform must be worn to the gym, Fitness Center, and for PT only.

Cadets will wear a complete uniform to and from all MMI-sponsored activities. Swimsuits for both male and female cadets must be conservative and in good taste, and tee-shirts and shorts are to be worn over them when not in/around the pool. Cadets playing sports or lifting weights on the MMI campus will wear a complete Class E uniform.

Cadets will wear a complete Class E uniform (T-shirt and shorts), with the appropriate under garments and shower shoes, when going to and from the shower. (Cadets are strongly encouraged to purchase an additional Class E uniform for this purpose).

- e. **Gym / Running Uniform** – While conducting personal workout sessions, cadets are authorized to wear physical fitness attire that is not defined as part of the Class E uniform (above). Athletic wear is to be clean, without holes and/or rips/tears, and worn in good taste. Wear of this uniform is to be worn in the same manner as the Class E uniform. This uniform may ONLY be worn:
  - From the barracks to and from the gym

- To and from the stadium
- While running
- While working out in the gym
- While working out/running at the stadium outside of regular PT/PE sessions

The following are not authorized for wear as part of this uniform:

- Any headgear (excluding headphones) or beanies
- Any part of any MMI uniform not meant as athletic or PT gear (i.e. – white t-shirt). OCP brown t-shirt may ONLY be worn as part of the OCP uniform in the gym when the cadet removes their OCP top to workout)
- Any clothing with hand-drawn words, graphics, symbols, etc.

- f. **Operational Camouflage Pattern (OCP)/Tactical Uniform.** The OCP consists of camouflage blouse and trousers, patrol cap, coyote brown tee-shirt, desert tan Army combat boots, tan nylon web belt, and green or black socks. Cadets may wear the OCP when prescribed by the Professor of Military Science (PMS) or the Commandant of Cadets. OCPs and tactical uniforms are not considered appropriate for social or official functions off campus such as memorial services and funerals. These uniforms are issued for wear as utility field training uniforms and are not intended as all-purpose uniforms when other uniforms are more appropriate.

No tactical uniform is to be worn off campus in the town of Marion for any reason unless directed by the Professor of Military Science or the Commandant of Cadets. Cadets participating in the National Guard or Reserves may wear their tactical uniforms when traveling to and from drill assemblies. In this circumstance a cadet may make a quick fuel or food stop but the stop should generally last less than 15 minutes.

Cadets enrolled in a service program: Army ECP/SAP, Marine Corps PLC, Air Force Academy/ROTC, Naval Academy/ROTC, and Coast Guard/Merchant Marine SAP may wear the uniform of their branch of service as prescribed by the Commandant of Cadets. Any cadet wearing a tactical uniform other than OCPs will wear the uniform according to service regulations. Sponsored SAP Cadets and all ECP Cadets will wear the US Flag on their rights sleeve in the OCP. Self-Sponsored SAP Cadets and LEP Cadets will wear the MMI flag on their right sleeve. All Cadets, with the exception of

Contracted ECP will wear the MMI patch on their left sleeve pocket. Contracted ECP will wear the ROTC patch on their left sleeve.

Tactical Uniform (OCP or service equivalent) sleeves will not be rolled up at any time unless directed to do so by staff or faculty for the accomplishment of a specific task. Once the task is completed, sleeves will be immediately rolled down. This policy has been approved by all service components.

- g. **Modified OCP or Bs & Ts.** The uniform consists of the OCP trousers and company tee-shirts. It is authorized for special purposes as directed by the Commandant of Cadets.
- h. **Athletic.** Athletic teams with changing areas and lockers will wear a complete cadet uniform or designated team practice uniform to and from the changing facility. Teams without locker facilities (i.e., tennis, baseball, and softball) will wear appropriate practice clothing directly to and from the practice fields. Teams will wear an approved travel uniform to and from games. The Athletic Director will designate the uniform with concurrence from the Commandant of Cadets. Cadet trainers, managers, and statisticians will also travel in the same uniform. Civilian attire will not be worn to and from athletic events without the approval of the Commandant of Cadets.
- i. **Organizational.** Organizations such as the Swamp Fox or MMI Knights Precision Drill Team may be authorized by the Commandant of Cadets to wear unique variations of uniforms. Unique uniform articles and approved wear will be outlined in organizational charters.

### **6.3 Over-Garments**

The black jacket is authorized for wear with any duty uniform (except combat) and includes rank insignia. The zipper must be zipped up at least two-thirds of the way to the top and may be worn as a civilian garment with rank insignia removed. The pockets of the jacket will not be used to keep hands warm when it is cold, use gloves for that purpose.

The Parka will be carried when there is a threat of rain for all uniforms except OCPs or equivalent. When it is raining the Parka will be worn. The Battalion Commander is responsible for the decision for the Corps to carry Parkas.

### **6.4 Headgear**

- a. **Service Cap.** The service cap is the proper headgear for all parades and formal occasions requiring the wear of the Class A uniform - unless modified by the Commandant of Cadets. On days of inclement weather, the service cap will be required and the black cape liner put on when the Corps is carrying raincoats. It may be worn with the Class B or Class C uniform as prescribed by the Commandant of Cadets. Officers wear a gold-colored band, NCOs (E-5 and above) wear a silver colored band, and all others wear a black band. Personnel wear the service cap straight on the head so that the cap band creates a straight line around the head, parallel to the ground. The

service cap will fit snugly and comfortably around the largest part of the head without bulging or distortion from the intended shape of the headgear and without excessive gaps. The cap is worn centered on the forehead in a straight line with the nose, with the front lower portion of the cap approximately 1 inch above the eyebrows (approximately the width of the first two fingers).

The cadet NCO and cadet officer covers have silver or gold piping, respectively. This cover may be worn with the Class A uniform only when directed by the Commandant of Cadets. The garrison cap is worn with the front vertical crease of the cap centered on the forehead in a straight line with the nose, with the front lower portion of the cap approximately 1 inch above the eyebrows (approximately the width of the first two fingers). The cap is placed on the head in such a manner that the front and rear vertical creases and the top edge of the crown form unbroken lines in the silhouette, and the ridge of the cap is parallel to the ground while standing at attention. Personnel will not crush or shape the crown of the cap to form peaks at the top front or top rear of the cap.

Exceptions to this policy may be granted to the MMI Knights precision drill team and the tuba players in the band.

- e. **Patrol Cap.** The patrol cap is worn with the OCP. It will be worn two inches above the bridge of the nose and parallel with the ground. Personnel wear the patrol cap straight on the head so that the cap band creates a straight line around the head, parallel to the ground. The patrol cap will fit snugly and comfortably around the largest part of the head without bulging or distortion from the intended shape of the headgear and without excessive gaps. The cap is worn centered on the forehead in a straight line with the nose, with the front lower portion of the cap approximately 1 inch above the eyebrows (approximately the width of the first two fingers). No rolling of, blocking, or alterations to the cap are authorized. The cap is worn so that no hair is visible on the forehead beneath the cap. The nametape will be worn centered on the hook-and-loop pads on the back of the patrol cap. Subdued pin-on grade insignia is worn centered on the front of the headgear left to right and top to bottom.

## **6.6 Civilian Clothes**

Cadets represent the school on or off campus. Therefore, Cadets are expected to maintain MMI standards, at all times, while enrolled in the school.

Cadets will wear the prescribed uniform of the day while on campus, unless granted a specific exemption by the Commandant of Cadets.

Cadets will wear Appropriate Civilian Attire (ACA) while signing in/out at the Guard House and while they are *on leave/pass*.

**City of Marion:** Cadets may wear ACA when *on leave/pass in the City of Marion*. Examples include when going to a local restaurant, food or convenience store, etc. Cadets **will wear the prescribed uniform** for all school-related events in Marion (such as B's & T's during community service events). Cadets will *wear "C-Ops"* uniform while attending any church service in Marion. Male cadets are to be clean-shaven and have proper haircuts when signing in and out. Cadets wearing civilian clothing may only go from the barracks to the Guard House and parking lot (or return) and must be changed into a proper uniform within fifteen minutes of returning to campus.

Authorized civilian attire for males consists of a collared dress or polo shirt (no tee-shirts), slacks or shorts (no cutoffs), blue jeans, or khaki pants. Jackets and pullovers are allowed, but are not to be worn in lieu of polo shirt. Any outer garment should not display wording and/or graphics prejudicial to the good order and discipline of the Corps. If a cadet's clothing is considered not in keeping with MMI dress standards, the cadet will not be permitted to wear the clothing when departing or returning to campus. Females must wear similar apparel. The acceptable hem line for all shorts, skirts, and dresses requires that when the arms are extended downward, the hemline will

be no higher than the ends of the extended fingertips pressed against the side of the torso. Leather sandals and open toe shoes are acceptable for wear with appropriate civilian attire, only if approved by the cadet's TAC Officer. Shower shoes, flip flops, slides, crocs, or any footwear similar to these styles are not permitted for wear by either males or females outside the barracks, in the gym, any MMI facility (minus in the barracks), or when representing MMI (athletes, conferences, field trips).

Athletic suits or jogging suits are not acceptable for wear off campus except when traveling as part of an MMI athletic team and the suit is considered the official school uniform for the event.

All clothes should be clean and wrinkle free. There can be no holes or frayed items. Pants should be pulled up on the hips. Shirts will be tucked into the pants as appropriate. Nails should be trimmed and clean. Females may paint their nails, but nail color must be complimentary to the skin tone (i.e., approximately the same color as the skin or clear).

The Commandant of Cadets reserves the right to refuse any cadet from officially departing campus if it is deemed the cadet is not adhering to both the letter and intent of the MMI dress code. Cadets departing campus not in compliance with policies outlined above will be held accountable through appropriate disciplinary action(s) upon returning to campus.

## **6.7 Miscellaneous**

**Shirt Stays.** Shirt stays will be used with Class A, B, and C (standard and midnight) uniforms. Shirt stays are used to keep a sharp, professional appearance to the uniform shirt.

Single White parade belt with brass plate will be worn with the Class A Jacket for all parades unless otherwise directed by the Commandant of Cadets.

**Maroon OG Sash.** Officers and senior NCOs will wear the maroon Officer of the Guard (OG) sash when in Class A uniforms. The sash will originate at the left hip and be wrapped around the back until it returns to the left hip and is secured. The hanging ends of the wrap will not exceed the knee when worn. The officers' parade webbing will be secured under the sash and bear the officer's sword and scabbard. NCOs wear the black sword belt over the OG sash and bear the sword and scabbard.

**Black Uniform Belts.** Worn with the tip showing to the wearer's left. When worn properly, the tip will be aligned such that the tip is at the end of the back of the buckle and no cloth is showing between the tip and buckle.

**Trouser length.** Trousers length will be tailored so as to touch shoelaces, but no higher than the top of the heel in back. Trousers must be pulled up on the hips at all times.

**Shoes.** Will be kept properly buff shined and in good repair; rubber heels, corfam or leather; smooth finish; and plain toe. Socks must be calf high and black for all service uniforms except Class E which requires white.

**Boots.** Will be coyote brown, Army-issue combat boots. The pants must be bloused above the third eyelet of the boot. All laces, after being tied, will be tucked into the boot neatly so that no part of the lace is visible. Tactical uniforms worn by other services will include the prescribed boots.

## **6.8 Appearance and Grooming Policies**

Cadets will present a professional image at all times and will continue to set the example in military presence, both on and off duty while enrolled at MMI. A vital ingredient of the MMI's strength and disciplined effectiveness is the pride and self-discipline that Cadets bring to MMI through a conservative military image. It is the responsibility of cadet commanders to ensure that personnel within their command present a neat and Cadet-like appearance at all times.

The MMI uniform regulations for standards of personal appearance and grooming are as specific as is practicable in order to establish the parameters with which Cadets must comply. Portions of this policy are punitive. Violation of the specific prohibitions and requirements set forth in this chapter may result in adverse administrative action and/or charges under the provisions of the MMI Disciplinary process.

*See MMI Standard Operating Procedure: Appearance and Grooming Standards for detailed information.*

## **6.9 Eyeglasses, Sunglasses, and Contact Lenses**

### **a. Eyeglasses and Sunglasses.**

- (1) Conservative civilian prescription eyeglasses are authorized for wear with all uniforms.
- (2) Conservative prescription and nonprescription sunglasses are authorized for wear when on campus, except while indoors. Individuals who are required by medical authority to wear sunglasses for medical reasons, other than refractive error, may wear them, except when health or safety considerations apply. Only the Commandant may authorize sunglasses in formations, or field environments (Leadership Training Complex etc.) or off campus, as appropriate.
- (3) Eyeglasses or sunglasses that are trendy or have lenses or frames with conspicuous initials, designs, or other adornments are not authorized for wear. Frames will be black, brown or green (matching OCP colors). Cadets may not wear lenses with extreme or trendy colors, which include, but are not limited to, red, yellow, blue, purple, bright green, or orange. Lens colors must be traditional gray, brown, or dark green shades. Cadets will not wear lenses or frames that are so large or so small that they detract from the appearance of the uniform. Cadets will not attach chains or ribbons to eyeglasses. Eyeglass restraints (to include bands) are authorized when required for safety purposes. Cadets will not hang eyeglasses or eyeglass cases on the uniform and may not let glasses hang from eyeglass restraints down the front or back of the uniform. Glasses may not be worn on top of the head or brim of the cap at any time.
- (4) Cadets are authorized to wear ballistic spectacle eye protection issued by a military service, including lens colors or logos that do not comply with paragraph 6.9a(3), above, in garrison or field environments unless otherwise directed by their TAC or Commandant of Cadets. Cadets must be able to verify that the glasses in question were issued to them and are authorized by their specific branch of service.

**b. Restrictions on contact lenses.** Tinted or colored contact lenses are not authorized for wear with the uniform. The only exception is for opaque lenses that are prescribed medically for eye injuries. Clear lenses that have designs on them that change the contour of the iris are not authorized for wear with the uniform. Contact lenses may be restricted by the Commandant of Cadets for safety or mission requirements.

**CHAPTER 7**  
**BARRACKS STANDARD OPERATING PROCEDURES**

**7.1 General**

To be eligible for occupancy in a barracks, a cadet must be enrolled as a full-time student at MMI. Cadets who withdraw from MMI, who are dismissed from MMI, or who drop below full-time status must vacate their rooms within 24 hours. Exceptions to these policies must be submitted to the Commandant of Cadets in writing. Rooms are assigned by the Commandant of Cadets' Office and subsequent room changes will not be made without authority from such and documented on a Room Change Request Form.

Lights are to remain on in common areas such as hallways and dayrooms at all times.

**7.2 Barracks Guests**

Prospective students and friends of current cadets are encouraged to visit campus. A guest must be escorted by a resident who is responsible for the conduct, dress and parking of the guest at all times. Guests are not allowed to stay overnight on campus.

Barracks guests include:

- a. Cadets. Cadets are students who are currently enrolled full-time at MMI.
- b. Non-Cadets. Non-cadets are individuals who are not currently enrolled as fulltime students at MMI and includes Other College students, parents, and family members. These visitors are required to sign in at the Guard House upon arriving on campus regardless of gender and must sign out upon departure.

**Cadet Visitors**

Visitation. Cadets of the same gender can visit each other's rooms when invited and escorted. However, there are prohibitions on visitation by cadets of the opposite gender. Specifically, opposite-gender cadets can only visit a cadet's room and/or dayroom when invited and escorted during the following times:

Day	Visitation Times	Notes
Monday, Tuesday, Wednesday, Thursday	1000-1430 & 1830-2130	AMCQ and PMCQ rules apply
Friday	1000-1430 & 1830-Taps	
Saturday	1000-Taps	
Sunday and Holidays	1000-2130	PMCQ rules apply

Requirements. Cadets must leave room doors open at all times when cadets of the opposite gender are present. Guests are not allowed to use restrooms designated for the opposite gender even with a "guard" posted. At no time can opposite-gender visitors be left unattended.

## **Non-Cadet Visitors**

Visitation. Non-Cadet guests can visit cadet rooms when invited and escorted by a cadet.

Visitation Times. Non-Cadet guests may only visit between 1000-1730 daily.

Requirements.

- All guests are required to sign in/out at the Guard House along with their cadet escort upon arrival on campus.
- All guest vehicles must be identified on the sign in sheet and parked in visitor parking (in front of the Administration Building). Any vehicles not registered and/or not parked in visitor parking will be ticketed, booted or towed. No guest vehicles may remain on campus after 1730. Cadet escorts are responsible for their guests, any tickets written for guest vehicles or other fines (booting/towing) may be assessed to the Cadet Escort's account.
- Cadets must leave room doors open at all times when guests of the opposite gender are present. Guests are not allowed to use restrooms designated for the opposite gender even with a "guard" posted. At no time can opposite-gender visitors be left unattended.

## **7.3 Barracks Move-In**

When moving into the barracks, cadets must:

- a. Report to their barrack's TAC after receiving their room assignment and room key from Commandant of Cadets' Office;
- b. Obtain a Cadet Room Condition Report from the TAC;
- c. Check their rooms, documenting all damage to the room and furniture, prior to signing the Cadet Room Condition Report. It is the cadet's responsibility to ensure all damage is noted; and
- d. Return the completed Cadet Room Condition Report to the Commandant of Cadets' Office.

NOTE: Cadets must complete a new Cadet Room Condition Report each time they change rooms.

## **7.4 Barracks Move-Out**

At the end of the Fall Semester, cadets who are not returning to MMI must complete the checkout process. Everyone must check out of his/her room at the end of the Spring Semester. When moving out of the barracks, cadets must:

- a. Obtain an Out-Processing Form from the Commandant of Cadets' Office;
- b. Check out with their TAC prior to the closing of the barracks;
- c. Have their TACs sign the Cadet Room Condition Report noting damages; and
- d. Turn their room key and completed Cadet Room Condition Report into the Commandant of Cadets' Office. If a key is not turned in, a lock cylinder change is required for the room and minimum charge of \$50 will be assessed.

A date and time will be set for both non-graduating and graduating cadets to clear the barracks. Rooms must be left clean with trash removed, floors swept, and closets and drawers clear of debris.

A fee of \$75 will be assessed for rooms not cleaned or failure to submit Out-Processing Forms. Damage caused by willful acts of negligence or misconduct will be charged to the cadet's account.

### **7.5 Barracks Closings**

All barracks are closed during holiday breaks when school is not in session. Cadets will be notified of closing dates and times and must make arrangements to stay elsewhere. Cadets may leave their belongings in their room between the Fall and Spring Semesters only if the cadet is returning to MMI for the Spring Semester. All belongings must be removed at the end of the Spring Semester. During the break between Fall and Spring Semesters, it is advisable to remove valuables. **MMI cannot be responsible for any lost or stolen objects.** If a cadet's belongings are left in his/her room and that cadet decides not to return to school, he/she must return and clear school within 72 hours or a room cleaning charge of \$75 will be assessed. **If the items are not claimed within 72 hours or arrangements are not made, the items will be considered abandoned property.**

### **7.6 Bulletin Boards**

Each company will have an official bulletin board (location determined by the company commander). Company bulletin boards are for the display of essential information and must be read daily. Posted information is considered disseminated. Failure to read the bulletin board is not an acceptable excuse. Space not designated may be used for other materials deemed appropriate by the company commander. Items will be secured at all four corners, unless the reverse side must be read, but will not hang over the edges of the board.

The electronic bulletin boards will display information of a general nature important to the entire Corps of Cadets such as the calendar, upcoming events, speakers etc. Individual companies can establish customized information only for display in their company if desired. Clubs and Organizations can use the EBBs to advertise their upcoming events. Contact the Assistant Commandant in the Guard House for additional information.

### **7.7 Electrical Appliances**

The capability of the electrical system in the barracks is limited. Overloading these systems can present fire and safety hazards. All electrical equipment must be kept in a safe operating condition. The following electrical appliances are **NOT** permitted in cadet rooms and will be confiscated when found:

- a. "Open element" appliances such as boilers, space heaters, ovens, fry daddy, kerosene heaters, microwave ovens.
- b. Sun lamps
- c. Halogen lamps
- d. Christmas or other decorative lights
- e. Refrigerators – Exceptions include **ONLY** the BC, XO, S-3, Honor Council Chair, BSM, Company Commanders, Company XOs, Company First Sergeants, Platoon Leaders, and Platoon Sergeants. Removal from one of these positions will result in the forfeiture of this privilege.

- f. Televisions/Monitors over 26”

**Note:** Coffee pots/makers are allowed, but they must remain unplugged when not in use.

Cadets are authorized to have computers in their rooms. See Computer Use Policy section of this Manual for more details. All cadets are authorized radios and stereos of compact size meaning the item is small enough to fit on the cadet’s desk and still allow ample room for studying. These devices may be used for entertainment only during limited periods daily. Volume will be low enough so as not to create a disturbance. Cadets should not be able to hear the sound in the neighboring rooms, hallway, or outside of the building. Abuse of this privilege will result in confiscation of the device.

### **7.8 Fire Safety Procedures (See also the Fire and Safety SOP)**

Explosives, firearms, and fireworks are strictly forbidden anywhere on campus. Any substances that have the potential to cause fire or explosions are prohibited inside the barracks. A power strip with a surge protector should be used to protect electronic equipment. Adequate safety lighting must be provided at social events, and access to exits and fire extinguishers must not be obstructed. Natural Christmas trees are not allowed. Open flames such as candles, incense, and Bunsen burners are prohibited.

When using a portable fire extinguisher, remember the “PASS” procedures:

- a. Pull the pin.
- b. Aim the extinguisher hose (or nozzle) at the base of the fire.
- c. Squeeze the lever above the handle. Releasing the lever will stop the discharge.
- d. Sweep from side to side, moving carefully toward the fire. Keep the extinguisher aimed at the base of the fire and sweep back and forth until the flames appear to be out. If the fire re-ignites, repeat the process.

If the fire does not begin to go out immediately, the cadet(s) must leave the area at once.

**Safety Equipment.** Tampering with fire equipment or fire alarms is taken seriously, is a violation of local and state ordinances, and is a Category II offense. Charges may be filed against anyone found tampering with fire safety equipment or sounding false alarms.

**Fire Drills.** All persons living in the barracks are required to participate in fire drills and evacuate the building through the exit routes posted on each floor. The purpose of the fire drill is to acquaint residents with a rapid and orderly means of exit during an emergency. Sounding a false alarm is a serious offense. Cadets who falsely pull fire alarms will be subject to severe disciplinary action.

**Safety Tips.** Do not take any chances with fires. Immediately pull the fire alarm and then call the OC. If you are in a room and the fire alarm has sounded, do not open the door until you check for smoke around the door cracks and feel the surface on the door. If it is hot, do not open it. If the door seems cool, open it cautiously with your body braced solidly against it. If in-rushing heated air is not detected, proceed rapidly to a clear exit, closing all doors behind you. If the door is hot, do not open the door. Seal up the cracks around the door with sheets, towels, or other. The door

can hold back harmful heat and smoke. Hang a sheet out the window to signal rescuers. Open the window slightly to let fresh air in and smoke-filled air out.

If trying to escape through a smoke-filled room or corridor, proceed as follows:

- a. Move to the nearest exit in a crouching position to avoid rising heat and smoke.
- b. Place a towel or other cloth over head and face. Breathing through the towel will help cool the air and filter debris.
- c. Take short breaths, breathing through the nose. Avoid gulping large amounts of smoke into your lungs.
- d. Cover your body with something that can easily be discarded if it catches fire such as a wool blanket.
- e. Remain calm.
- f. Never re-enter a building to save possessions.

Practice safety with electricity. Never overload the outlet. Most importantly, do not tamper with smoke detectors.

## **7.9 Inspections**

Meeting standards for room cleanliness and orderliness is fundamental to good order and discipline. Rooms will be inspected daily by the TACs and cadet chain of command. Rooms will be prepared for inspection prior to 0800, subject to inspection each morning from 0800-1200, and must be maintained in a neat manner afterward. Cadets who do not meet the standards for room inspection will not have afternoon privileges until standards are met. Cadets' rooms that fail inspection will be re-inspected by the chain of command. On open weekends, the CDO will inspect the rooms of the cadets on campus to ensure the daily standards are maintained.

## **7.10 Keys and Lockouts**

All key exchanges will be handled in the Commandant of Cadets' Office. Cadets will be issued one room key. If it is lost or stolen the cadet should report it to the Commandant of Cadets' Office. The cadet will be issued a new key, and a charge will be assessed. The charge for the first lost key is \$25. A second lost key is \$35. The issue of the third key for the room will require a lock cylinder change and a \$50 charge will be assessed. This is a security measure. Even though keys are not marked with room number or barracks, there is still a possibility that someone can find a missing key and determine which room it unlocks. A cadet should contact their TAC in the event that they are locked out of the room. If the TAC cannot be located, the cadet should report to the Commandant of Cadets' Office/OC for assistance.

## **7.11 Late Lights**

Late Lights is the time period between Taps and midnight. Only desk lamps and computers may be on during this time in cadets' rooms. This period is reserved solely for academic studying and requires permission from the company TAC or company commander. No other function is allowed during this time period and in all cases, all room lights must be turned out by midnight. Lights are to remain on in common areas such as hallways and dayrooms at all times.

## **7.12 Pets**

Cadets are strictly forbidden from keeping any pets on campus.

## **7.13 Repairs and Maintenance**

Cadets who become aware of repair or maintenance requirements in their barracks should report the deficiencies to their Company Barracks NCO. The company representative will prepare a work order and submit it to the TAC for action through the Commandant of Cadets' Office. Requirements for emergency repairs should be reported directly to the Commandant of Cadets' Office. Examples of emergency requirements are no air conditioning, heat, power, or hot water.

Cadets are responsible for the condition of their assigned room's furnishings and shall be charged for all damages, cleaning costs, and/or losses incurred to MMI property. Each cadet may also be required to share equally with other barracks residents in the expense of repair or replacement of property in common areas such as hallways, latrines, or dayrooms when it is determined to be impossible to place liabilities for expenses upon an individual. Accounts will be billed for all damages.

## **7.14 Responsibility for Cadet Property**

This responsibility lies with YOU! Cadets must lock their doors when not in their rooms. Although precautions are taken to maintain adequate security, MMI cannot be held responsible for any articles that are lost, stolen, damaged, misplaced, or abandoned. Security must begin with the cadet. Use your footlocker for an additional layer of security. Cadets are encouraged to purchase rental insurance for their belongings if they are not covered under another policy.

## **7.15 Room Change**

A Room Change Request Form and a Cadet Room Condition Report must be submitted to the Commandant of Cadets' Office before a room change can be effected. A new room key will be issued upon return of the old room key. Charges will apply for lost keys.

## **7.16 Room Standard Operating Procedure (SOP)**

The purpose of this SOP is to provide guidance for the display and storage of all uniforms, civilian clothes, footlockers, and other personal items located in each cadet's room. Cadet rooms will be inspection ready daily and during formal inspections to ensure compliance with this SOP.

Rooms will be standardized to the extent possible. However, since each barracks and some individual rooms are designed differently, each company commander may recommend SOP modifications to the Commandant of Cadets. Cadets may not reorganize or remove furniture or use other rooms for storage or other purposes without the express approval of the Commandant of Cadets' Office.

The barracks storage rooms are to be utilized for storage of excess property. These rooms, however, are a service to the cadet and MMI does not accept any responsibility for loss or damage to items that are stored. The storage room must present a neat appearance and will be inspected during daily and formal inspections.

**f. Desk Arrangement**

- i. The cadet using the top bunk will use the desk closest to the window.

- ii. The chair will be placed under the desk during inspection and when not in use.
- iii. The top of the desk and any shelves will be clean and dusted.
- iv. Books will be displayed in descending order of height on shelves with the tallest toward the left side. Other items displayed on the shelves will be neat and present an uncluttered appearance. All will be aligned with the front edge of the shelf. Tacks, taps, nails, or screws will not be used to secure items to the desk or shelves. Tacks may be used in areas where cork board is provided.
- v. Aim Point Card. All Cadets will post their Aim Point Card on the center of their desk, under the shelf so that it can be easily seen. The one mandatory element of the Aim Point Card is a simple statement of the Cadet's military, education, employment or life goal after MMI. This can take many forms such as; attend West Point, become a commissioned officer, Attend Alabama/Auburn/Troy and major in business, play in a D1 program, enlist in the military, start my own business, become a doctor, or it can simply read "figure out my life goal". The card can also show intermediate goals. The card can be written in ink or pencil and can be updated as necessary by the Cadet. The card can be (tastefully) embellished as desired. The intent of this card is to provide the Cadet with a daily reminder and motivation of their purpose here at MMI and show others where they are taking themselves.

- g. **Walls and Decorations.** Wall hangings will not be affixed with nails or screws. When hanging fixtures, every effort must be made to protect the wall and the paint. Displayed items must:
  - i. Be in good taste.
  - ii. Not be disrespectful toward another person or group of people.

- iii. Not be of a pornographic nature.
- iv. Not promote alcohol or illegal drugs.
- v. Not be obscene or offensive.

**“If there is any doubt, don’t put it out!”**

**h. Daily Inspection Order**

- i. Rooms will be prepared for inspection on school days from 0800-1200.
- ii. Clothing and personal items will be neatly displayed. Beds will be made, and desks straightened and clean.
- iii. Trash cans will be emptied daily, cleaned, and displayed upside down.
- iv. Floors will be swept daily and rooms dusted. Sinks and mirrors (if furnished) will be cleaned daily.
- v. When the room is unoccupied, lights and electrical appliances will be off, windows closed, and doors locked.
- vi. Window shades will be left at half-mast from 0800-1430 on academic days.

- i. Vacation or Extended Leave.** When leaving on vacation or extended leave (school closings, see section 3.5), all electrical items will be unplugged, windows closed and locked, window shades left closed, and electronic equipment off the floor.

## CHAPTER 8

### CADET DISCIPLINARY AND GOOD CONDUCT INCENTIVE PROGRAMS

#### 8. General

**8.1.** MMI demands a higher level of good order and discipline than civilian schools. To create an environment in which cadets may learn and grow, MMI has set forth its expectations of acceptable behavior and descriptions of unacceptable behavior. Those cadets who do not conform to accepted standards of conduct are subject to disciplinary action. Since MMI's mission is to produce men and women of character, all means available will be used to retain cadets who truly wish to live up to this standard. Only as a last resort will MMI suspend, dismiss, or expel cadets who refuse to uphold the MMI standards.

8.1.1. The Alabama State Legislature recognizes the unique character of MMI (Act. 2006-230) and gives the President authority to impose reasonable disciplinary standards for infractions inconsistent with the good order and discipline and values of the institute.

8.1.2. The preservation of freedom of discussion, inquiry, and expression is possible only in an environment where the privileges of citizenship are protected, and the obligations of citizenship are understood. By enrolling in MMI, a cadet neither loses the rights nor escapes the duties of citizenship but conducts his/her personal life in the context of mutual regard for the rights, property, and privileges of others. Therefore, cadets are required to demonstrate respect for the law, institutional rules, regulations, standards, and policies for the necessity of orderly conduct.

8.1.3. Corrective measures are intended to improve, correct, and instruct cadets who violate established MMI standards whether on or off campus. Misconduct generally should be addressed at the lowest possible level, as soon as possible, to ensure a cadet's enrollment is not negatively affected unnecessarily.

8.1.3.1. TAC officers, supervisors (military or civilian), and other individuals in the cadet's administrative or operational chain of command can issue administrative actions. To ensure consistency, the President will approve regulations for use by MMI staff.

8.1.4. The decision to utilize corrective measures should be based primarily on two factors: the nature of the incident and the previous disciplinary record of the cadet. In deciding what type of action to take, MMI considers the seriousness of the cadet's departure from MMI and legal standards. Additionally, corrective measures should be used as part of a progressive discipline process; however, there is no requirement to issue a lower-level action to address a cadet's first instance of misconduct. Some misconduct warrants a more severe corrective measures or action from higher in the chain of command.

- 8.1.5. MMI's progressive discipline process consists of three categories: Category I infractions are typically minor in nature; Category II infractions are major; while Category III infractions are considered severe and generally warrant dismissal or expulsion consideration. Corrective measures fit the categories and may include written counseling, loss of privileges, penalty hours, restrictions, reduction in rank, loss of scholarships, and in extreme cases, dismissal, or expulsion.
- 8.1.5.1. Minor: involves violations of rules and regulations which do not represent serious offenses against persons and do not pose a serious threat to institutional order and safety. The first offense may result in formal, documented, counseling in lieu of demerits.
- 8.1.5.2. Major: involves violations of rules and regulations which constitute serious offenses against persons and property and pose a serious threat to institutional order and safety. Athletes will be restricted from playing games and representing MMI until the completion of PHs.
- 8.1.5.3. Severe: behavior that presents an imminent threat of serious harm to the school community, or when the student's behavior severely affects the safety of others in the school and/or disrupts the educational process. Athletes will be suspended from his/her team until the resolution of the case (either PHs, alternative corrective measures, or disenrollment process)
- 8.1.6. MMI uses the "preponderance of the evidence" standard. This standard will be used when evaluating the evidence and every element of the alleged offense.
- 8.1.6.1. A preponderance of the evidence merely means that it is more likely than not that a fact exists. Preponderance of the evidence is not determined solely by the volume of witnesses or documentary evidence supporting or refuting an allegation. Rather, it is based on the totality of the circumstances, the inherent probability or improbability of the evidence, and a determination as to the weight and significance of the evidence and the credibility of the witnesses.
- 8.1.6.2. There is no requirement to prove any allegation beyond a reasonable doubt.

## **8.2. Reporting**

- 8.2.1. There are several types of reports that can be submitted to document cadet behavior. Signing a report does not in and of itself constitute agreement, but rather an acknowledgement that documentation was received. In the case where a cadet refuses to sign the report, as applicable, the reporter should have another person sign as a witness. All reports become part of the cadet's permanent disciplinary record.
- 8.2.1.1. **Administrative Performance Reports.** Class absences, guard reports, Cadet Health Clinic reports, etc., are forwarded directly to the Commandant of Cadets' Office for processing.

8.2.1.2. **MMI Form 1842**, is used for both positive and corrective behavior. This form is normally used for documenting minor infractions, typically Category I offenses and may be submitted by TACs, staff, faculty, or cadet leaders.

8.2.1.3. **Delinquency Orders (DO)** are normally reserved for the most serious infractions, typically Category II & III offenses although they can be used to document repeated Category I offenses. These are issued by the Commandant of Cadets or his designee (TACs, Deputy Commandant, or Deputy Director of Center for Leadership).

8.2.1.4. **Referral to Law Enforcement Agencies (LEA)**. The Institute fully supports all local, state, and federal laws. Violators of these are subject to referral to law enforcement authorities for prosecution. Other disciplinary actions such as dismissal or expulsion may be applied, as well.

### **8.3. Categories of Offenses**

8.3.1. **Category I Offenses (TAC Adjudicated)** – Minor breach of MMI rules, policies, and procedures. Cadets will be awarded 10 demerits per offense.

8.3.1.1. Category I progressive discipline generally follows the following pattern:

8.3.1.2. Accumulation of 30 Demerits – DO for Category II offense Pattern of Misconduct (1st offense) 10 Penalty Hours.

8.3.1.3. Accumulation of 50 Demerits – DO for Category II offense Pattern of Misconduct (2nd offense) 25 Penalty Hours.

8.3.1.4. Accumulation of 70 Demerits – DO for Category II offense Pattern of Misconduct (3rd offense). 50 Penalty Hours. May also result in dismissal consideration for refusal to conform to the rules and regulations of Marion Military Institute.

8.3.1.5. The above penalties are for a cadet who receives all their offenses in one Academic Year (AY). If the cadet is a mid-year cadet (one who starts in the Spring Semester), then the AY for those cadets is defined as the Spring semester of one AY and the Fall semester of the next AY. At the end of each AY, cadets will have two (2) of their offenses for accumulation of demerits dropped. For example, if a cadet ends the AY with four (4) offenses of this nature they will begin the next AY with already having two (2) of these offenses on record. This means the first offense in the next AY would be their third (3<sup>rd</sup>) offense.

8.3.2. **Category II Offenses (Deputy Commandant Adjudicated)** – Major offense, major breach of regulations, or multiple Category I offenses. Category two offenses will be awarded between 10-56 penalty hours per offense. The number of penalty

hours is based on the severity of the infraction or number of Category II offenses. The number of penalty hours will be awarded in accordance with the philosophy of “progressive discipline.

8.3.2.1. Category II progressive discipline generally follows this pattern:

8.3.2.1.1. First Offense – Delinquency Order, penalty hours, reduction in rank (if applicable), and restriction to campus.

8.3.2.1.2. Second Offense – Same as first offense

8.3.2.1.3. Third Offense – Possible dismissal from Marion Military Institute

8.3.2.2. Category II penalties for infractions will include a delinquency order plus any of the following as deemed appropriate:

8.3.2.2.1. Counseling

8.3.2.2.2. Reduction in rank

8.3.2.2.3. Penalty Hours

8.3.2.2.4. Restriction to campus

8.3.2.2.5. Referral to local law enforcement authorities

8.3.2.2.6. Dismissal or expulsion

8.3.2.2.7. Suspension

8.3.2.2.8. Any combination of the above

8.3.3. **Category III Offenses (Commandant Adjudicated)** – Severe breach of regulations or multiple Category II offenses will generally warrant dismissal consideration. Category III offenses carry a minimum of 56 penalty hours. Base an increase in the number of penalty hours on the severity of the infraction or number of Category II offenses. The number of penalty hours will be awarded in accordance with the philosophy of “progressive discipline.”

8.3.3.1. Category III penalties for infractions will include a delinquency order plus any of the following as deemed appropriate:

8.3.3.1.1. Counseling

8.3.3.1.2. Reduction in rank

8.3.3.1.3. Minimum of 56 Penalty Hours

8.3.3.1.4. Restriction to campus

8.3.3.1.5. Referral to local law enforcement authorities

8.3.3.1.6. Dismissal or expulsion

8.3.3.1.7. Suspension

8.3.3.1.8. Any combination of the above

8.3.3.2. Violations of MMI’s Honor Code are automatically considered Category III offenses.

## **8.4. Disciplinary Options**

8.4.1. Penalty Hours (PH). PH rosters are announced on Monday, Wednesday, and Friday of each week by the c/CSM. Cadets who believe a report to be incorrect should speak with their TAC for verification. Each Friday the list will reflect which cadets are restricted to campus for the upcoming weekend. Cadets receiving PHs on a Friday will be held accountable beginning on Monday of the following week.

8.4.1.1. Penalty Hours procedure and conduct.

8.4.1.2. The standard penalty-hour marching windows will be as follows (penalty hour-hour marching windows may adjust due to conflicting activities):

- 8.4.1.2.1. Wednesday 1500-1800
- 8.4.1.2.2. Friday 1500-1800
- 8.4.1.2.3. Saturday 0800-1200; 1300-1800

8.4.1.3. Getting Credit for PHs. Cadets will be awarded credit for penalty hours marched by the Weekend/Duty TAC Officer.

8.4.1.4. Uniform for PHs. Uniform is prescribed by the Commandant of Cadets. CDOs will inspect restricted cadets 5 minutes prior to the PH formation ensuring all cadets are in proper uniform.

8.4.1.5. Conduct of PH tours. Cadets will form up in front of the Chapel five minutes before the time designated. Accountability will be taken and an inspection will be conducted. Cadets will then be marched to the penalty area. PH marching will commence at the top of the hour. Breaks will be taken ten minutes prior to the top of the hour. PHs must be marched in full hour increments. The Weekend/Duty TAC may alter these times based on weather conditions. No credit will be given for periods lasting less than a full hour except in the case of extenuating circumstances.

8.4.1.6. No Credit for PHs. No cell phones or any electronic devices are authorized during Penalty Hours, use will result in an additional penalty hour being awarded. Additionally, the Weekend/Duty TAC may not verify PHs tours marched if the marchers are not acting in a disciplined and orderly fashion or are demonstrating poor conduct. Any cadet who shows up 30 minutes or more late will not be afforded the opportunity to march and will receive demerits for missing Penalty Hours.

8.4.1.7. Alternative Penalty Hours. Alternative forms of Penalty Hours (i.e., physical/manual labor) will only be awarded for activities approved by a

TAC Officer and the Commandant of Cadets. This is an exception to the rule and cadets should plan to march their penalty hours.

8.4.1.8. Participation in Varsity Athletics or Organizations. Participation in athletics and cadet organizations (such as MMI Knights, Honor Guard, Ranger Challenge, etc.) is prohibited during penalty-hour windows. After penalty hour-marching windows, cadets are restricted to campus unless participating in official activities. At the discretion of the Commandant of Cadets, cadets may participate in official activities during penalty-hour marching windows.

8.4.2. **Restriction.** Cadets are restricted to campus until PHs are served. Mandatory PH marching will be conducted on Wednesday from 1500-1800, Friday from 1500-1800, and Saturday from 0800-1800. Unless engaged in other school functions (e.g., varsity athletics games/matches) and excused by the Commandant of Cadets (e.g., military drill), cadets are to report at 1455 on Wednesday, 1455 on Friday, and 0755 on Saturday and continue to do so until all hours are served. Restricted cadets will have formation on weekdays when there is drive-out liberty and weekends. Cadets who do not satisfy PH requirements risk being dismissed. Additionally, graduating cadets will not be allowed to participate in the graduation ceremony if they have outstanding PHs.

Restricted Formation Schedule

SUNDAY	0755	1255		
MONDAY	1455	1855		
TUESDAY	NONE			
WEDNESDAY	1455	1855		
THURSDAY	NONE			
FRIDAY	1455	1855	2125	
SATURDAY	0755	1255	1855	2125

**8.5. Demerits.** Demerits are given to cadets who commit Category I offenses. A cadet may find out how many demerits they have accumulated by asking their TAC Officer. If a cadet feels like they have received the demerits in error they must see their TAC Officer. The TAC Officer’s decision is final and demerits cannot be appealed to a higher authority. A cadet’s total demerits only reset at the end of the school year (SY).

**8.6. Reduction in Rank.** The Commandant of Cadets is authorized to reduce in rank any cadet with the Corps of Cadets with the exception of the battalion commander, executive officer, and battalion sergeant major. The President must approve the reduction in rank and removal of cadets serving in these positions. Once a reduction has been adjudicated, a cadet has ten days to change the rank insignia on all uniforms. Wearing of unwarranted rank insignia after reduction is a Category I offense.

## **8.7. Suspension/Dismissals/Expulsions**

- 8.7.1. The cadet is removed for the best interest of the cadet and the college. When a cadet is removed, via suspension/dismissals/expulsion, the timeframe will vary based on the offense. The admissions committee will consider readmission once all stipulations have been met.
  - 8.7.1.1. Suspension is for a more limited time frame (usually weeks), but can result in loss of scholarships, forfeiture of Title IV federal financial aid, and possible documentation of inappropriate conduct on your Institutional record.
  - 8.7.1.2. Dismissal is more serious and will usually last several months or more. It will result in loss of scholarships, forfeiture of Title IV federal financial aid, and documentation of inappropriate conduct on your Institutional record.
  - 8.7.1.3. Expulsion is the most severe sanction and is imposed for the most serious offenses. An expelled cadet may not apply for readmission.
- 8.7.2. Procedures for offenses leading to dismissal or expulsion – see MMI SOP: Dismissal Procedures for detailed information.

## **8.8. “Withdrawal in lieu of”**

- 8.8.1. Cadets may withdraw at their own discretion at any time. However, a cadet who withdraws while disciplinary action is pending is subject to disciplinary action at that time and continued disciplinary review should he/she ever desire to re-enroll. The cadet’s departure may be recorded as dismissal or expulsion at the discretion of the President.

## **8.9. Readmission**

- 8.9.1. Cadets who are expelled cannot apply for readmission to MMI. However, cadets who are dismissed, including those who withdraw while awaiting final adjudication of an incident that would have resulted in dismissal, **may** be afforded the opportunity to apply for readmission as follows:
  - 8.9.2. If dismissal was alcohol-or-drug related, the cadet in question must complete an MMI approved alcohol-or-drug rehabilitation program. The program must be completed at the cadet’s expense prior to readmission and a certificate of completion must be provided;
    - 8.9.2.1. Clear all balances with the Business Department;
    - 8.9.2.2. Write a letter to the Commandant of Cadets explaining why he/she will be successful with a second chance and specifically what actions have been taken to change his/her behavior;

- 8.9.2.3. Be interviewed by a member of the Commandant of Cadets' staff. The interview may be conducted by phone;
- 8.9.2.4. For drug-related offenses, submit a verified drug test NLT 30 day prior to readmission;
- 8.9.2.5. Complete all paperwork required by the school for readmission;
- 8.9.2.6. Be readmitted by the Admissions Committee;
- 8.9.2.7. Serve all remaining PH/SHs;
- 8.9.2.8. Be subject to periodic and random drug testing, if dismissal was drug-related.

## **8.10. Outstanding Conduct Incentive Program**

- 8.10.1. **Intent.** Good conduct, that which is above and beyond what is reasonably expected of a cadet, merits acknowledgement and, in some cases, an appropriate gesture of appreciation. To this end, MMI has a system where any staff, faculty, or cadet member may submit an Outstanding Conduct Report on any cadet who they feel has exhibited conduct or accomplished an action that they feel went above and beyond what would generally be expected.
- 8.10.2. **Criteria.** There will be no specified criteria that has to be met. Each individual staff or faculty member will decide based on their own perception if a cadet warrants this positive acknowledgement.

### **Procedure.**

- 8.10.2.1. **Report Action.** The staff or faculty member will only need to send an email to the Commandant. This email should describe the action. There is no requirement to justify the request, only to describe what happened and that the reporter feels that the action in question exceeds what is normally expected of a cadet in similar circumstances.
- 8.10.2.2. Commandant evaluates the action and ensures the cadet is appropriately recognized. Not all recommendations will merit a separate recognition.
- 8.10.2.3. **Incentive.** In general, a cadet may be recommended for a singular but very impactful or important action, but most likely, cadets will be recommended after having demonstrated above average conduct after multiple recommendations. This incentive will normally take the form of extended leave.

8.10.2.4. **Action.** Cadet commits a laudable action which is observed by a staff or faculty member.

8.10.2.5. **Recommendation.** The staff or faculty members sends the Commandant an email outlining the action and why it was considered “above and beyond”.

8.10.2.6. **Evaluation.** Commandant will evaluate the recommendation and determine if the cadet will be recognized for the singular action.

8.10.2.7. **Log.** The recommendation will be logged to record all laudatory recommendations for each cadet.

8.10.2.8. **Recognition.** The Commandant will establish criteria for the award of incentives (i.e., extended leave/pass for every X number of laudatory reports).

## **8.11. Outstanding Academic Achievement.**

8.11.1. **Intent.** To reward outstanding academic achievement.

8.11.2. **Criteria.** Cadets who receive a 3.75 GPA or higher on their mid-term report will receive an incentive.

8.11.3. **Procedure.** The Assistant Commandant for Administration and Operations will obtain the list of qualifying cadets from the Registrar as soon as all grades are posted. Eligible cadets will be recognized in formation.

8.11.4. **Incentive.** The incentive is the choice of either a dinner pass or extended leave. Cadets may use the dinner pass on Monday, Tuesday or Thursday or have an extended leave (may return on Sunday no later than 2130). For the dinner pass the cadet may take one friend along with them. Neither the cadet nor the guest may be on restriction at the time the incentive is used. This incentive is not an excuse to miss any mandatory cadet activities, athletic or academic requirements - to include Guard Duty. All incentives remain at the discretion of the Commandant.

## **CHAPTER 9**

### **TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES**

#### **8.1 INTRODUCTION**

Marion Military Institute is committed to providing a workplace and campus community free of sexual misconduct and harassment. As required by Title IX of the Education Amendments of 1972, the College does not discriminate on the basis of sex in its education programs and activities. This includes discrimination affecting employees of the college and applicants for employment, students and applicants for admission, or members of the public. All members of the College community are expected to conduct themselves in a manner that does not infringe upon the rights of others, whether on college premises or at any College owned off campus location and while participating in any educational program or activity of the College.

Sexual harassment, which includes sexual misconduct and sexual assault, is a form of sex discrimination which is prohibited under Title IX of the Education Amendments of 1972 and the Violence Against Women Act. This policy is intended to reaffirm the College's commitment to address sexual harassment and take steps to prevent its reoccurrence and preserve or restore equal access to the College's education programs and activities. Dating violence, domestic violence, and stalking may also be considered forms of sexual discrimination. Due to the seriousness of these offenses, the College has adopted specific policies and procedures, outlined in the Student Handbook, employment policies, and webpage, to address alleged instances of sexual harassment, sexual misconduct, sexual assault, dating violence, domestic violence, and stalking. The College believes that no person should bear the effects of sexual harassment alone. When such conduct occurs, the College's paramount concern is for the safety and well-being of those impacted. To support and assist students, the College provides a range of resources that include a trained counselor.

Under Title IX, individuals reporting allegations related to sexual harassment and/or sexual violence, have the right to a resolution of their complaint, to have the college conduct a prompt, thorough and impartial investigation, and to receive supportive measures to ensure the safety and wellbeing of the individuals involved and the college community.

When allegations of sexual harassment and/or sexual violence in any form are brought to the attention of the Title IX Coordinator, and if a responding party is found to have violated this policy, serious sanctions will be used to prevent its reoccurrence. Marion Military Institute does not tolerate or condone retaliation. Individuals wishing to report sexual harassment and/or sexual violence and/or to make inquiries concerning the application of Title IX at the College may contact:

## **POLICY**

The U.S. Department of Education's [Office for Civil Rights](#) (OCR) enforces, among other statutes, Title IX of the Education Amendments of 1972. Title IX protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. Title IX states that:

“No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.”

### **8.2 DEFINITIONS RELATING TO SEXUAL HARASSMENT**

Many terms are used in the context of sexual harassment. The following will provide some common definitions and examples.

Actual knowledge: The notice of sexual harassment or allegations of sexual harassment to the Title IX Coordinator or any official of the College who has authority to institute corrective measures on behalf of the College shall be deemed actual knowledge on the part of the College.

Complainant: is an individual who is alleged to be the victim of conduct that could constitute sexual harassment. For the purposes of this procedure a Complainant may be an individual applying for admission or employment, an employee, a student or an individual otherwise participating in or attempting to participate in the College's education programs and activities.

Respondent: is an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Formal complaint: is a document filed by the complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the College investigate the allegation of sexual harassment. Note: At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in an educational program or activity of the

College at which the formal complaint is filed.

Consent: “Consent” must be informed, voluntary, and mutual and can be withdrawn at any time. There is no consent when there is force, expressed or implied, or when coercion, intimidation, threats, or duress is used. Whether or not a person has taken advantage of a position of influence over another person may be a factor in determining consent. Silence or absence of resistance does not imply consent. Past consent to sexual activity with another person does not imply ongoing future consent with that person or consent to that same sexual activity with another person.

Incapacitation: An individual who is incapacitated is unable to give consent to sexual contact. States of incapacitation include sleep, unconsciousness, intermittent consciousness, intoxication, or any other state where the individual is unaware that sexual contact is occurring or is otherwise unable to give informed and voluntarily consent. Incapacitation may also exist because of a mental or developmental disability that impairs the ability to consent to sexual contact. Example: A person who is taking pain medication and falls asleep under the influence of the medication can be incapacitated and not be able to give consent to sexual contact.

Course of Conduct: Two or more acts, including, but not limited to, acts in which the individual directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person’s property.

Reasonable Person: A reasonable person under similar circumstances and with similar identities to the victim.

Substantial Emotional Distress: Significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling.

Sexual Misconduct: Committing sexual abuse, sexual assault, sexual harassment, sexual exploitation, or statutory rape, as defined below or under Alabama state law.

Harassment: The striking, shoving, kicking, or otherwise touching or making physical contact in regard to another for the purpose of harassing, annoying or alarming; and/or

directing abusive or obscene language or making an obscene gesture toward someone for the purpose of harassing, annoying, or alarming. Example: Making or using persistent derogatory comments, epithets, or slurs that place a person in a hostile or fearful environment or where the person’s safety is in jeopardy.

- suffer Substantial Emotional Distress.

### **Victims Option to Report**

Students and employees who are victims of crime including rape, acquaintance rape, domestic violence, dating violence, sexual assault, or stalking, are encouraged by the College to report but do have the option not to report the incident to campus law enforcement, or local law enforcement. In those cases, the victim may still seek assistance confidentially from Tuscaloosa Safe Center or any other victim service agency of their choosing.

## **8.3 FORMAL COMPLAINT PROCESS**

### **A. INITIAL STEPS**

Any student or employee of the College or applicant for employment or admission who has a complaint against a student or a member of the College faculty, staff, or administration concerning sexual harassment (Title IX of the Educational Amendments of 1972) or has knowledge of any conduct constituting sexual harassment in an educational program or activity of the College or which occurred on property owned by the College or controlled by the College should report the complaint to the campus Title IX Coordinator [www.marionmilitary.edu](http://www.marionmilitary.edu) . An educational program or activity of the College includes, but is not limited to locations, events or circumstances over which the College exercised substantial control over both the respondent and the context in which the sexual harassment occurs, and also includes buildings owned or controlled by a student organization that is officially recognized by the College.

### **B. REPORTING A COMPLAINT**

Any individual may report sexual harassment incident to Title IX Coordinator in person, by email, by telephone, or in writing. The report must include the names of the Complainant(s) and Respondent(s), approximate date of incident, facts of the incident, and contact information for the person submitting the complaint.

The Title IX Coordinator will respond in writing to the person submitting the complaint as soon as practicable, but not exceeding five (5) business days. If the person submitting the complaint is not the Complainant, the Title IX Coordinator will also contact the Complainant within five (5) business days.

If after a discussion with the Complainant, the Title IX Coordinator determines that the complaint does not qualify as a Title IX Complaint, the Title IX Coordinator will notify the Complainant in writing and may redirect the Complaint to the appropriate committee.

If after a discussion between the Complainant and the Title IX Coordinator, the Title IX Coordinator determines that the complaint meets the criteria of a Title IX Complaint and the Complainant requests to file a formal complaint, the Title IX Coordinator will initiate the formal complaint process.

### C. SUPPORTIVE MEASURES

Supportive measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the College's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the College's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The College must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the College to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

Supportive measures will be offered to the Complainant within five (5) business days of receipt of the complaint.

Supportive measures will be offered to the Respondent simultaneously with the Notice of Allegations.

### D. STANDARD OF EVIDENCE FOR DETERMINING RESPONSIBILITY

For the purposes of the College's Title IX procedures, the College will use a "preponderance of evidence" standard for determining responsibility. Preponderance of the Evidence means evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is evidence which as a whole, shows that the fact sought to be proved is more probable than not.

### E. FORMAL COMPLAINT PROCESS

A formal complaint must be submitted in electronic (email) or written format to the Title IX Coordinator and must be signed by the Complainant. In the event that under the circumstances a formal complaint should be pursued notwithstanding a Complainant's desire not to file a formal complaint, the Title IX Coordinator may sign the complaint. The complaint must include the following:

- the date of the original complaint,
- names of Complainant and Respondent,

- facts and description of the complaint, and
- the request to investigate complaint.

A Complainant must be participating in or attempting to participate in a College sponsored program or activity at the time the complaint is filed.

#### F. DIMISSAL OF FORMAL COMPLAINT

The College may dismiss a formal complaint or allegations therein if:

- the Complainant informs the Title IX Coordinator in writing that the Complainant desires to withdraw the formal complaint or allegations therein,
- the Respondent is no longer enrolled or employed by the school, or
- specific circumstances prevent the school from gathering sufficient evidence to reach a determination.

The College must dismiss a formal complaint or allegations therein if:

- the allegations do not meet the definitions of sexual harassment
- the alleged conduct did not occur within the United States, or
- the alleged conduct did not occur within a College sponsored program or activity.

If the College determines the formal complaint or allegations therein will be dismissed, the Title IX Coordinator will provide written notice to both parties of the dismissal of allegations, and the reason for dismissal within five (5) business days of the decision to dismiss the complaint and the Complainant's right to Appeal, if applicable.

#### G. NOTICE OF ALLEGATIONS

The Title IX Coordinator will provide simultaneous written notice of allegations, including sufficient details, and intent to investigate to the Complainant and Respondent no later than ten (10) calendar days after receipt of the formal complaint. The Title IX Coordinator will also provide both parties with the formal complaint, grievance and appeal process, possible sanctions and remedies, and availability of advisors. The written notice shall include a statement that the respondent is presumed not responsible for the alleged conduct, that the parties and their advisors may review and inspect evidence, and advise the parties of the provisions of the College Code of Conduct relating to making false statements or submitting false information during the grievance process.

The Title IX Coordinator will additionally notify the Title IX investigator of the pending investigation and provide a copy of the formal complaint.

#### H. ADVISORS

In addition to providing the Complainant and Respondent with written notice of allegations and intent to investigate, the Title IX Coordinator will inform the parties that they may

each obtain one designated personal advisor, who may be selected by the party or, in the alternative, appointed by the College.

Complainants and Respondents may be accompanied by an advisor of their choice throughout the investigation. An advisor's role is limited to assisting, advising, and/ or supporting a Complainant or Respondent. An advisor is not permitted to speak for or on behalf of a Complainant or Respondent or appear in lieu of a Complainant or Respondent.

Party-Designated Advisor: : Both parties shall have the right to designate one advisor. This party-designated advisor can be legal counsel or other type of representative (i.e., pastor, family member, AEA Representative, friend) and shall be retained at the respective party's own cost. Parties may also choose to have one designated support person.

College-Designated Advisor: In the event that either party does not or cannot designate their own advisor, that party shall have the right to request one advisor to be provided by the College by making a request in writing to the Title IX Coordinator and declaring that the party has not selected another advisor. An advisor will be appointed for the party at the discretion of the College. Once requested, a party may not dismiss a College-designated advisor unless that party elects to retain legal counsel. A College-designated advisor will be released by the College if a party subsequently designates legal counsel as its advisor.

#### **8.4 INVESTIGATION PROCEDURE**

The Title IX investigator is responsible for conducting an investigation of the submitted formal complaint. The Title IX investigator will have received Title IX investigator training within the current academic year.

The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the College and not on the parties.

The Title IX investigator will notify the Complainant and Respondent in writing of the intent to investigate within five (5) business days of receipt of the formal complaint and will commence interviews within ten (10) business days of receipt of the formal complaint. The Title IX investigator will notify the Complainant and Respondent and their respective advisors in writing of all individuals the investigator intends to interview.

Either party may identify other witnesses with relevant information for interview or other evidence for review by the investigator.

The Title IX investigator will conduct a factual investigation of the formal complaint and shall research applicable statutes, regulations, and/or policies, if any. The Title IX investigator will notify any interviewees in writing of the intent to interview. Interviewees will have at least five (5) business days' notice of an interview. Notice will include the participants, date, place, purpose, and time of the interview.

The College will provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory (tending to establish fault or guilt) and exculpatory (clearing or tending to clear from alleged fault or guilt) evidence. Creditability determinations may not be based on a person's status as a complainant, respondent or witness.

The College will provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the College may establish restrictions regarding the extent to which the advisor may participate in proceedings, as long as the restrictions apply equally to both parties.

The College will provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the College does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.

The College will make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal access opportunity to refer to such evidence during the hearing, including for purposes of cross-examination.

Prior to the completion of the investigative report, the Title IX investigator will submit all reviewed evidence to the Title IX Coordinator. The Title IX Coordinator will provide copies of all evidence reviewed during the investigation to the Complainant, Respondent, and their respective advisors. All parties will have ten (10) business days to review the evidence and respond in writing to the Title IX Coordinator.

Subsequent to the ten (10) business day review period, the Title IX Coordinator will direct any responses from the Complainant, Respondent, or their respective advisors to the Title IX Investigator for additional review. The Title IX Investigator will submit a final report and the reviewed evidence to the Title IX Coordinator. At least 10 days prior to the live hearing, the Title IX Coordinator will simultaneously provide the Complainant, Respondent, their respective advisors, with the final report and all reviewed evidence for their review and written response. The President will select a Hearing Officer to conduct the live hearing. The Hearing Officer shall be provided a copy of the investigative report and reviewed evidence.

## **8.5 LIVE HEARING PROCEDURE**

Upon completion of the final investigative report, the Hearing Decision Maker will schedule a live hearing. The Hearing Decision Maker will have completed Decision Maker training during the current academic year. If there are multiple Hearing Decision Maker, one shall be designated as the Primary Decision Maker. The Hearing Decision

Maker will notify the Complainant, Respondent, their respective advisors, Title IX Coordinator, Title IX Investigator, and witnesses named in the final report of the live hearing date. The live hearing date must provide the Complainant, Respondent, and their respective advisors with no less than ten (10) business days to review the final investigative report and all supporting evidence.

Each party must have an advisor present at the hearing. The advisor's role is limited to supporting, advising, and assisting the party during the hearing and conducting questioning (cross-examination) of participants. Advisors are required to follow rules of decorum enforced by the decision-maker. Failure to follow the rules of decorum by an advisor may result in removal of an advisor from the hearing. If a party does not have an advisor present at the live hearing, the College will appoint the party with an advisor without fee or charge.

The hearing must be a live, recorded hearing with the opportunity for both advisors to conduct cross-examinations. The hearing shall be recorded by either a court reporter or on audio or video tape or by other electronic recording medium. In addition, all items offered into evidence by the parties, whether admitted into evidence or not, shall be marked and preserved as part of the hearing record.

Upon request, the Complainant and Respondent may participate in the hearing via on-campus video conferencing provided that all parties, including the Decision Maker, are able to see and hear the party or witness answering questions in real-time.

The Hearing Decision Maker, Complainant, Respondent, and their respective advisors will attend the hearing. The Title IX investigator, Title IX Coordinator and witnesses will be called to provide testimony if requested by the Hearing Decision Maker(s), parties or their respective advisors.

If a party does not have an advisor present at the live hearing, the College shall provide without fee or charge to that party, an advisor of the College's choice, who may be, but is not required to be an attorney. Neither party may dismiss a College appointed advisor.

The hearing process will consist of:

- Opening statement by Hearing Decision Maker
- Review of hearing procedures, formal complaint and notice of allegations by Hearing Decision Maker
- Review of potential hearing outcomes and sanctions by Hearing Decision Maker
- Complainant Testimony
- Cross-examination of Complainant by Respondent advisor
- Testimony of Witnesses of Complainant
- Cross-examination of Complainant Witnesses by Respondent advisor
- Respondent Testimony
- Cross-examination of Respondent by Complainant advisor
- Witnesses of Respondent Testimonies
- Cross-examination of Respondent Witnesses by Complainant advisor

- Decision Maker inquiries
- Review of appeal process by Hearing Decision Maker
- Closing statement by Hearing Decision Maker
- Dismissal of parties
- Decision Maker deliberations

At the hearing, the Hearing Decision Maker shall read the hearing procedures, notice of allegations, formal complaint, potential hearing outcomes, and potential sanctions. After the Hearing Decision Maker concludes opening statements, the Complainant shall have the opportunity to present such oral testimony and offer such other supporting evidence as deemed relevant to the formal complaint.

Subsequent to Complainant testimony, the Respondent advisor may conduct cross-examination. The Decision Maker may question the Complainant after the cross-examination.

The Complainant may call witnesses to provide testimony as deemed appropriate to the formal complaint. The Respondent advisor may conduct cross-examination of the witnesses. The Decision Maker may question the witnesses after the cross-examination. The Respondent shall then be given the opportunity to present such testimony and offer such other evidence as deemed relevant to the Respondent's defense against the formal complaint. Subsequent to Respondent testimony, the Complainant advisor may conduct cross-examination. The Decision Maker may question the Respondent after the cross-examination.

The Respondent may call witnesses to provide testimony as deemed appropriate to the formal complaint. The Complainant advisor may conduct cross-examination of the witnesses. The Decision Maker may question the witnesses after the cross-examination. Only relevant cross-examination and other questions may be asked of a party or witness. During cross-examination, the advisor will pose each question orally to the Hearing Decision Maker. The Hearing Decision Maker will determine if the Complainant, Respondent, or witnesses may respond to the question. If the Hearing Decision Maker determines that the question is not relevant, the Hearing Decision Maker will explain the rationale for dismissing the question. Rape shield protection is provided for Complainants which deems irrelevant questions and evidence about a Complainant's prior sexual behavior unless offered to prove that someone other than the Respondent committed the alleged misconduct or if the questions and evidence concern specific incidents of Complainant's prior sexual behavior with respect to the Respondent and offered to prove consent.

If a witness or party is not available or otherwise refuses to attend the hearing or attends but declines cross-examination, the statements of that witness or party, whether given during the investigation or the hearing may be considered by the Hearing Decision Maker in reaching a determination regarding responsibility. The Hearing Decision Maker shall not draw an inference about the determination regarding responsibility based solely on a

party or witness's absence from the live hearing or refusal to answer cross-examination or other questions.

Upon conclusion of the presentation of the evidence and cross-examinations, the Hearing Decision Maker shall read the appeal process and closing statements. The Complainant, Respondent, their respective advisors and all witnesses shall be dismissed.

The Hearing Decision Maker will deliberate to determine if the Respondent is deemed responsible and submit a written hearing report which contains:

- identification of the allegations potentially constituting sexual harassment;
- a description of the procedural steps taken from the receipt of the formal complaint through determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
- findings of fact supporting the determination;
- conclusions regarding the application of the College's code of conduct to the facts;
- a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the College imposes on the respondent, and whether remedies designed to restore or preserve equal access to the College's education program or activity will be provided by the College to the complainant; and
- the College's procedures and permissible bases for the complainant and respondent to appeal.

The Hearing Decision Maker will submit the hearing report to the Title IX Coordinator within ten (10) business days of the live hearing.

The Title IX Coordinator will submit the hearing report simultaneously to the Complainant, Respondent, and their respective advisors within three (3) business days of receipt of the hearing report.

The College must provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the College provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

The Title IX Coordinator will retain the recording of the hearing, the hearing report, the investigative report, and all evidence obtained during the investigation and all evidence offered at the hearing.

## **8.6 APPEAL PROCEDURE**

Appeals of a determination regarding responsibility and from the College's dismissal of a formal complaint or any allegations therein are available to both parties on the following

grounds: (1) procedural irregularity that affected the outcome of the matter; (2) new evidence that was not reasonably available at the time the decision regarding responsibility or dismissal was made, that could affect the outcome; and/or (3) the Title IX Coordinator, Investigator, or a Decision Maker had a conflict of interest or bias that affected the outcome.

The President of Marion Military Institute or his/her designee shall be the appeal authority in upholding, rejecting, or modifying the recommendations of the Hearing Decision Maker. The President or his/her designee shall not be bound in any manner by the recommendation(s) of the Hearing Decision Maker, but shall take it (them) into consideration in rendering his/her decision.

Either party may file a written request with the President requesting that the President (or his/her designee) review the decision of the Hearing Decision Maker. The written request must be filed within ten (10) business days following the party's receipt of the hearing report. If the appeal is not filed by the close of business on the tenth (10th) business day following the party's receipt of the report, the party's opportunity to appeal shall have been waived.

As to all appeals, the College will:

- notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
- ensure that the decision-maker for the appeal is not the same person as the decision-maker that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator.
- ensure the decision-maker(s) for the appeal complies with the standards set for in this policy;
- give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
- issue a written decision describing the result of the appeal and the rationale for the result; and
- provide the written decision simultaneously to both parties.

A decision on a party's appeal shall be rendered within 30 calendar days of the initiation of the appeals process. The time for decision may be extended for exigent circumstance or as may be otherwise agreed by the parties.

If the Complainant is also an employee of the College, the individual may also file a claim with the Equal Employment Opportunity Commission within 180 days of the alleged discriminatory act.

Informal Resolution. The College may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with this section. Similarly, the College may not require

the parties to participate in an informal resolution process under this section and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the College may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the College does the following:

- (i) provides to the parties a written notice disclosing: the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
- (ii) obtains the parties' voluntary, written consent to the informal resolution process; and
- (iii) does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

## **8.7 RETALIATION PROHIBITED**

Neither the College nor other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated in any manner an investigation, proceeding, or hearing conducted under this policy. Complaints alleging retaliation may be filed according to the grievance procedures included in the formal complaint process. The College shall keep confidential the identity of any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness except as may be permitted by FERPA statute, 20 U.S.C. 1232g or FERPA regulations, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

## **CHAPTER 10 HAZING POLICY**

### **9.1 General**

Hazing has been determined to be counterproductive and will not be tolerated at MMI. Additionally, hazing is a violation of Alabama state law. Therefore, this policy will be strictly adhered to by all Cadets, Faculty and Staff.

### **9.2 Alabama Hazing Law**

Hazing is defined as follows:

- a. Any willful action taken or situation created, whether on or off MMI premises, which recklessly or intentionally endangers the mental or physical health of any cadet, or
- b. Any willful act on or off of the college premises by any person alone or acting with others in striking, beating, bruising, or maiming; or seriously offering, threatening, or attempting to strike, beat, bruise, or maim, or
- c. Any willful act to seriously offer, threaten, or attempt to do physical violence to any cadet of MMI or any assault upon any such cadets made for the purpose of committing any of the acts, or producing any of the results to such cadet as defined in this section.
- d. The term hazing as defined in this section does not include customary athletic events or appropriate group PT, and is limited to those actions taken and situations created in connection with initiation into or affiliation with any campus organization.

No person shall engage in what is commonly known and recognized as hazing, or encourage, aid, or assist any other person perpetrating any form of hazing.

No person shall knowingly permit, encourage, aid, or assist any person in committing the offense of hazing or willfully acquiesce in the commission of such offense, or fail to report any information concerning the practice of hazing through the chain of command to the President. Failure to report will be considered a serious offense resulting in appropriate consequences.

Any person who shall commit the offense of hazing is subject to the charge of misdemeanor under Alabama law.

### **9.3 MMI Hazing Definition**

Hazing is any intentional, knowing, or reckless act, occurring on or off campus, by one person alone or acting with others, directed against anyone, that endangers the mental or physical health or safety of a cadet for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization whose members are or include cadets at MMI. In some cases, hazing can occur outside of this definition. The term includes but is not limited to:

- a. Any type of physical brutality such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity.
- b. Any type of physical activity such as sleep deprivation, exposure to the elements, confinement in a small space, calisthenics, or other activity that subjects the cadet to an unreasonable risk or harm or that adversely affects the mental or physical health or safety of the cadet.
- c. Any activity involving consumption of a food, liquid, alcoholic beverage, liquor, drug, or other substance which subjects the cadet to an unreasonable risk of harm or which adversely affects the mental or physical health or safety of the cadet.
- d. Any activity that intimidates or threatens the cadet with ostracism, that subjects the cadet to extreme mental stress, shame, or humiliation, or that adversely affects the mental health or dignity of the cadet or discourages the cadet from entering or remaining a MMI cadet, or that may reasonably be expected to cause a cadet to leave the Institute or organization rather than submit to acts described herein.
- e. Any activity of personal servitude.
- f. Any activity that induces, causes, or requires the cadet to perform a duty or task that involves a violation of the law or MMI rules and policies.
- g. Any of the following additional MMI-specific definitions:
  - i. Misuse of authority by virtue of one's cadet rank or leadership position;
  - ii. Any form of physical bondage of a cadet; "road trips"; or taking a cadet to an outlying area and dropping him/her off;
  - iii. Any form of "training" not approved by the Commandant; or any training not documented on the current training schedule;
  - iv. Any additional requirements to "cresting" not in the Cadet Manual; and
  - v. Any additional physical activity that exceeds approved training "standards" as defined in the organization or activity's approved training plan.

#### **9.4 Committing Hazing**

Cadets commit an offense if they:

- a. Engage in hazing;
- b. Solicit, encourage, direct, aid, or attempt to aid another in engaging in hazing;
- c. Intentionally, knowingly, or recklessly permit hazing to occur;
- d. Have firsthand knowledge of the planning of a specific hazing incident; or
- e. Have firsthand knowledge that a specific hazing incident had occurred, and knowingly fail to report it to the Commandant of Cadets or other appropriate Institute official.

#### **9.5 Penalty**

If found guilty of hazing, cadets will be subjected to Institutional disciplinary action up to and including expulsion, in addition to, or regardless of, any penalty imposed by LEA. Additionally, campus organizations can be found guilty of hazing if they condone or encourage hazing or if an officer or any combination of members, pledges/tryouts, or alumni of the organization commits or assists in the commission of hazing.

## **9.6 Reporting**

Any person who reports a specific hazing incident to appropriate officials is protected from civil or criminal liability for reporting, but not for involvement. Also, reporting in bad faith or with malice nullifies protection by this section. Failure to report knowledge of hazing in a timely manner to the chain of command will be considered a Category II or III offense resulting in appropriate sanctions. All incidents or rumors of incidents of hazing will be reported to the President via the Commandant of Cadets. Any faculty or staff member may receive a report.

## **9.7 Facts About Hazing**

Hazing is not just a problem for fraternities and sororities. Hazing is a societal problem. Hazing incidents have been frequently documented in the military, athletic teams, marching bands, religious cults, professional schools, and other types of clubs and organizations.

Hazing is more than foolish pranks that sometimes go awry. Hazing is an act of power and control over others; it is victimization. Hazing is premeditated and NOT accidental. Hazing is abusive, degrading, and often life-threatening. **Even if someone agrees to participate in an activity, it is still considered hazing.** In states that have laws against hazing, consent of the victim cannot be used as a defense in a civil suit. Even if a person agrees to participate in a potentially hazardous action, the person or person(s) committing the act (of hazing) will generally be held responsible. Regardless of intent, hazing is never acceptable. Hazing in no way teaches respect or develops discipline. Respect must be earned – not taught. Not unlike other forms of victimization, hazing breeds mistrust, apathy, and alienation.

**Hazing simply will not be tolerated at MMI!**

**CHAPTER 11**  
**ALCOHOL, TOBACCO AND OTHER DRUG AWARENESS PROGRAM**

**10.1 Alcohol and Drug Policy/Drug-Free Campus and Workplace Policy**

In compliance with the Drug Free Schools and Communities Act of 1989, Marion Military Institute has implemented a program to prevent the use of illicit drugs and the abuse of alcohol by cadets. The faculty, staff, and administration of MMI are firmly committed to the safety and health of our cadets. The influence of alcohol and other drugs in the workplace and school are detrimental to the Institute's ability to provide a healthy learning environment. Therefore, the importation, distribution, sale, purchase, use, or possession of intoxicants, non-prescribed narcotics, hallucinogenic drugs, marijuana, or any other illegal or controlled substance is strictly prohibited. If a party exhibits behavior that would cause the faculty, staff, or administration to believe or witness distribution or use of an illegal substance or alcohol, appropriate action will be taken. These sanctions may include dismissal or expulsion.

---

Cadets are hereby notified of the Institute's intention  
to enforce this policy through testing and/or search.

---

**10.2 Counseling Services**

In-house counseling is available through the Counseling Office. All cadets may be assured that protection of their privacy in any session will be considered a primary concern of the Counseling Office.

**10.3 Drug-Free Campus and Workplace Policy**

MMI is committed to providing a drug-free campus and workplace environment. As an institution of higher education, MMI has established a drug awareness program to educate cadets concerning the dangers of drug and alcohol abuse. All cadets are prohibited from importing, manufacturing, distributing, dispensing, possessing or using illicit drugs and alcohol on the MMI campus or as part of any school related activity.

MMI will impose sanctions (consistent with local, state, and federal law) upon cadets who violate the standards of conduct set forth in this policy. Such sanctions may include dismissal and/or expulsion. In some alcohol related incidents, cadets may be required to complete a rehabilitation program and provide documentation of program completion.

#### **10.4 Drug Testing**

All cadets are subject to drug testing and must sign an agreement of compliance with the MMI testing policy. Drug tests may be random or individual. Random procedures will be used to select individuals from the Corps of Cadets for drug testing. *Individual testing may also be directed whenever circumstances indicate possible use of illegal substances.* MMI reserves the right to test in the form of a urinalysis test, a hair follicle test, or any test recommended by an independent source. Any willful attempt to evade directives concerning a hair follicle drug test by shaving, cutting or altering hair, head or body, in any way unless hair loss is a result of a diagnosed medical condition, will be considered a refusal to test and is grounds for dismissal or expulsion. Substituting or attempting to substitute synthetic or another cadet's urine will be considered an attempt to cheat the test and will be grounds for dismissal or expulsion.

In accordance with the testing agreement, an inconclusive or negative result on a urinalysis test may be tested again by an independent source unless the cadet admits to drug use. The second test may be in the form of a hair follicle test or any other test recommended by an independent source. Tests determined to be positive by an independent testing laboratory will result in dismissal. Cadets dismissed under the provisions of this program may be allowed apply for reinstatement once they have successfully completed a rehabilitation program prior to reapplying for readmission and meet other criteria as set forth by the Commandant of Cadets.

**Alcohol Testing.** As with drug testing, MMI reserves the right to administer alcohol screening tests when appropriate. This screening may be conducted by a field breathalyzer or other certified field test.

**Please note the testing agreement on next page.**

#### **10.5 Alcohol Related Incidents**

Cadets will be charged with being in violation of this regulation if they remain in a room or place where they are aware that alcoholic beverages are present or being used unlawfully or irresponsibly by a cadet. The only way a cadet may relieve himself/herself of this charge is to leave the room or place as soon as he is aware of the presence of alcoholic beverages. Violation of this paragraph of the regulations may or may not be considered an "alcohol related" offence depending on the circumstances of the case involved.

#### **10.6 Smoking, Vaping, E-Cigarettes**

Smoking, use of e-cigarettes, vaping or the use of tobacco-related (including "smokeless" dip, chew, etc.) products are prohibited anywhere on campus. Cadets caught using or in possession of vaping devices (e-cigarettes, JUUL, etc.) may be referred to immediate drug-testing. Cadets are strongly reminded that tampering of any smoke or fire detection or alarm device is a federal offense and puts all cadets, staff and faculty members at risk of life and limb. Any infraction will be dealt with severely. If caught in possession of or using these devices, cadets may be referred to immediate drug testing.

FORM/ NOTICE OF FEDERAL/ SCHOOL STUDENT FINANCIAL AID PENALTIES**

I understand that my enrollment as a student at Marion Military Institute and a member of the Marion Military Institute (MMI) Corps of Cadets is contingent upon practicing and participating in a Drug-Free lifestyle. I acknowledge that information pertaining to the Institute's *Drug and Alcohol Awareness Program* as well as policies and procedures pertaining to the use, possession or sale of illegal or controlled substances can be referenced in Chapter 11 of the *MMI Cadet Manual*. I also understand that additional information concerning MMI's drug and alcohol policies can be referenced through the cadet health center as well as section 3.2 of MMI's *Faculty and Staff Handbook*. Additionally, MMI's policy is in compliance with the Alabama Community College Conference *Drug Education and Testing Policy*.

Commensurate with MMI and ACCC policies and procedures pertaining to the use, possession, or sale of illegal or unauthorized drugs or use of alcohol, I hereby consent to participate in drug/alcohol screening or testing as directed by MMI's President, Executive Vice President, Vice President for Student Affairs and Commandant of Cadets, or any other designated representative(s) of the Institute. Drug and alcohol screening and testing may include, but is not limited to, breath testing, urinalysis and/or hair follicle samples. I understand that a positive finding results in immediate dismissal from Marion Military Institute's Corps of Cadets as specified in **Chapter 8** of the *MMI Cadet Manual* and possible loss of any school sponsored scholarships.

I also acknowledge that a criminal conviction for any offense, during a period of enrollment for which I receive Title IV, HEA program funds, under any federal or state law involving the possession or sale of illegal drugs will result in the loss of eligibility for any Title IV, HEA grant, loan, or work-study assistance (see HEA sec. 484r (1); (20 U.S.C. 1091r(1)).

## **CHAPTER 12 SAFETY AND SECURITY**

### **11.1 Safety and Security Procedures**

Comprehensive Safety and Security Procedures and information can be found in the **Safety and Security SOP**.

### **11.2 Defacing or Destroying Property**

Any cadet who defaces or destroys property belonging to MMI or another cadet will be held financially responsible for the damage and will face disciplinary action including possible dismissal or expulsion.

This includes any attempt to carve or otherwise mark in a permanent fashion the façade of the Chapel or any other structure on MMI. As historical landmarks, the intentional vandalism of these structures will automatically impose the strictest penalties and hefty fines.

### **11.3 Firearms, Knives, Ammunition, or Other Weapons**

Cadets are not authorized to bring any ammunition or weapons of any type, whether operative or not on campus. Additionally, cadets are not allowed to store firearms in privately owned vehicles. Such weapons include, but are not limited to knives (of any size), steel tip darts, clubs, spear guns, air pistols or rifles, “nun chucks,” slingshots, bows and arrows, crossbows, paintball guns, and other weapons. Prohibited weapons will be confiscated and retained by the Commandant of Cadets’ Office. Possession or storage is a Category III offense.

### **11.4 Fireworks or Explosives**

The possession or use of fireworks or explosives of any kind, to include chemical reaction devices (such as MRE bombs) are strictly prohibited and a federal offense. Disciplinary actions may include dismissal or expulsion.

### **11.5 Fires or Bomb Threats**

The cadet or person discovering the fire will:

- a. Activate fire alarm!
- b. Alert all occupants of the building by shouting, “FIRE! FIRE! FIRE!”
- c. Notify the Marion Fire Department at 334-683-6271 or 911.
- d. Report the fire or bomb threat to the Commandant of Cadets’ Office during normal hours or to the OC after hours by the fastest means available.
- e. Attempt to extinguish small fires, but ensure the Commandant of Cadets’ Office or OC is informed immediately.

The Cadet Guard Duty Personnel will:

- a. Notify the OC at 334-292-9690. If the Night OC cannot be located, he/she will notify the Marion Fire Department at 334-683-6271 or 911.
- b. Notify the Commandant of Cadets or the Assistant Commandant of Cadets. If unavailable notify the Superintendent of Buildings and Grounds at extension 367 during normal working hours and after duty hours at 334-247-2664.
- c. Ensure that cadets are evacuating the building and taking roll.

Senior Cadet present will:

- a. Evacuate the barracks.
- b. Have occupants fall-in for accurate roll call.
- c. Have windows closed if possible.
- d. Continue to conduct accountability of cadets.

The Corps of Cadets will:

- a. Fall-in, answer roll, and proceed quietly and orderly to the designated holding area in the best interest of safety.
- b. Refrain from tampering with, damaging, emptying, or moving fire extinguishers or fire safety devices. The penalty for this offense will be severe due to its criticality.
- c. Know the evacuation procedures posted on each bulletin board.

## **11.6 Fire Drills**

Mandatory fire drills will be held periodically. Fire drills must be coordinated and made a matter of record. The Commandant of Cadets or designated representative will:

- a. Maintain a record of fire drills held during the school year;
- b. Coordinate fire prevention and evacuation plans with building supervisors; and
- c. Work directly with the Executive Vice President, the CIO (Academic Dean), and the CHC (Cadet Health Center) relative to the procedures and timings of the fire drills.

After notification, the Battalion Commander will form the cadets in the designated areas. The Battalion S-2, along with Commandant's Staff, will act as point of contact for fire drills and for fire extinguisher inspections.

## **11.7 Inspections and Searches and use of Surveillance Cameras**

Rooms, vehicles, and persons are subject to inspection or search by appropriate school authorities. Rooms and their contents will be inspected on a frequent and recurring basis to ensure the maintenance of high standards of cleanliness and neatness at all times. Locks on footlockers are authorized to provide security for personal belongings. All possessions are subject to inspection by the Commandant of Cadets or appointed representatives.

MMI employs a safety and security camera surveillance system. MMI is committed to enhancing the quality of life of the campus community by integrating the best practices of safety and security with technology. A critical component of a comprehensive security plan is the utilization of a safety and security camera system. The surveillance of public areas is intended to deter crime, assist in protecting the safety and property of the MMI community and the enforcement of the college's policies and procedures.

To ensure the protection of individual privacy rights in accordance with the college's core values and state and federal laws, MMI's policy is adopted to formalize procedures for the installation of surveillance equipment and the handling, viewing, retention, dissemination, and destruction of surveillance records. The purpose of this policy is to regulate the use of camera systems used to observe and record public areas for the purposes of safety and security. The existence of this policy does not imply or guarantee that cameras will be monitored in real time 24 hours a day, seven days a week. The college supports the use of video cameras on campus as a means to monitor and maintain a safe campus for students, employees and guests, while respecting the privacy rights of our Cadets, faculty and staff.

### **Marion Military Institute Camera Policy**

Marion Military Institute is committed to enhancing the quality of life of the campus community by integrating the best practices of safety and security with technology. This policy addresses the college's safety and security needs while respecting and preserving individual privacy.

## CHAPTER 13 ACADEMICS

### 12.1 Absences and Tardiness

Attendance at all classes is mandatory. For a cadet to be excused from any class for any reason other than medical concerns, the Commandant of Cadets and the CIO (Academic Dean) must approve the absence. Without the CIO's consent, the absence is unexcused. The medical supervisor in the CHC (Cadet Health Center) must verify all class absences due to medical reasons. Cadets are excused from class for verified family emergencies, participation in an MMI-sponsored event, National Guard/Reserve drill, ROTC field training exercises, and verified events beyond a cadet's control.

Parents and guardians have sufficient time early in the year to make reservations for Thanksgiving, Christmas, and spring holidays. Unexcused absences include airline-scheduling problems before and after authorized holiday breaks. Cadets absent from classes, including those immediately before or after the holiday period due to personal preference, family events/activities, etc., will not be excused from classes. However, bona fide, substantiated delays will be considered on a case-by-case basis. Documentation (e.g., repair receipts, flight cancellations/delays) must be provided.

Cadets will receive disciplinary action for unexcused class absences. Cadets with an unexcused class absence will receive two study hall hours per unexcused class absence and restriction to campus until all are served. Mandatory study hall will be conducted on Saturday from 0800-1200 and 1300-1700, and on Sunday from 1300-1700. Three unexcused class tardies equate to one unexcused class absence. Cadets in excess of four unexcused class absences are subject to immediate administrative withdrawal/failure from the class and receive the grade of "F" for the course. An unexcused absence from any class is a serious offense. Class work or tests missed because of an unexcused tardy or absence cannot be made up.

Continued and obvious disregard for the spirit and intent of the absence policy may result in withdrawal from the class and/or recommendation for dismissal from the Institution. Cadets may appeal to an Academic Board convened by the CIO when dismissal from class is considered. Appeals must be in writing, addressed to the CIO and submitted within one calendar week after the occurrence of the first event (unexcused absence or unexcused tardy) following the fourth unexcused absence. The Board will consist of the CIO and the Commandant of Cadets or their representatives, the instructor involved, other school employees selected by the CIO, and the concerned cadet.

### 12.2 Academic Grievances

A cadet may file academic grievances against a faculty member, administrator, or staff member. Written complaints should be filed as soon as possible after the alleged action took place and should be submitted to the CIO (Academic Dean). Actions on complaints will be taken in accordance with the Faculty and Staff Handbook.

### **12.3 Advisors**

At the start of the school year, each cadet will be assigned an academic advisor. Conferences are arranged for cadets throughout each semester and attendance is mandatory. Each cadet is urged to make the maximum use of the advisor and to seek help from other faculty or staff members regarding academic, leadership, or personal problems.

### **12.4 Class Conduct**

Proper protocol within the classroom will be observed at all times. If a cadet is dismissed from a class for misconduct, he/she must report directly to the Commandant of Cadets who will then assess the situation and take appropriate disciplinary action. The TAC, faulty advisor, instructor, counseling office, and the CIO (Academic Dean) will be notified of the action taken.

### **12.5 Classification of Cadets**

C1-----College Freshman----- (High school graduate)  
C2-----College Sophomore----- (Completion of at least 30 credit hours)

### **12.6 Withdrawal from School**

Cadets may withdraw at their own discretion at any time. However, a cadet withdrawn while disciplinary action is pending is subject to continued disciplinary review. The cadet's departure may be recorded as dismissal or expulsion at the discretion of the President.

Cadets who wish to withdraw from school must report to the Commandant of Cadets' Office to be issued an out-processing form. Cadets will then take the form to each office listed as applicable for signature. A room inventory condition form will be issued and signed by the TAC when moving out of the barracks. Once a representative at every office listed has signed the out-processing form, the out-processing form, survey questionnaire, cadet room condition report, student ID, and room key must be turned in to the Commandant of Cadets' Office. All charges will continue until out-processing is complete. MMI's refund policy, governed by the Alabama State Board of Education, is clearly outlined on the MMI Website. The Business Office can answer individual questions. Out-processing must be completed before any refunds, documentation, or transcripts will be released.

### **12.7 Library**

The mission of Baer Memorial Library is to provide quality resources to support the curriculum; expert services to support Marion Military Institute cadets, faculty, and staff; and an environment where lifelong learning is encouraged and where cadets can meet their educational, informational, and socialization needs.

MMI cadets are allowed to use the Baer Memorial Library whenever it is open. All MMI rules and regulations apply. Additionally, any policies and procedures established by the library staff will be adhered to:

- Water is allowed in closed bottles. Please, no food.
- No materials may be removed without proper check out procedures.
- Uniform of the day is to be worn during the daytime hours. Class C may be worn after 1600. No PT clothing is allowed.
- Computers are to be used solely for research. Settings are not to be changed. Computer use is a privilege that can be revoked.
- Cadet use of the classrooms and meeting rooms requires supervision by a school employee.
- A printer, copier, and fax machine are available for cadets to use. Printouts and copies are \$.10. Copyright restrictions apply.
- Books removed from shelves should be left on tables or in designated places.
- Reference books and audiovisual materials cannot be checked out.
- Reserve books and materials are housed in a staff-only area and must be requested from a library staff member. They cannot be checked out and must be returned to a library staff member.

In order to check out library materials, cadets must show valid identification. Cadets are expected to return library materials when due so others may use them. Failure to return library materials may result in restriction to campus. Resources available include books, DVDs/videos, and periodicals. JSTOR, an online library of academic research, is also available. It includes scholarly journal articles, books, and more. An online catalog is located on the main library website and can be accessed through the MMI main webpage.

**Normal Library hours:**

**0730-2130 – Monday - Thursday**  
**0730-1400 – Friday**  
**Closed - Saturday**  
**1830-2130 – Sunday**

## CHAPTER 14 CUSTOMS AND ETIQUETTE

### 13.1 Introduction

Customs and Courtesies are very important in a military career as is knowledge of common etiquette when pursuing a business career. This chapter does not contain all the rules of etiquette or military customs and courtesies, but it provides an introduction. Being conscious of good manners will provide a level of comfort and confidence in any social environment. A cadet will meet thousands of people during his/her lifetime. The impression made upon them depends very much on the cadet's social conduct in all its aspects including politeness, dress, respect for seniors, table manners, courtesy, and correct correspondence. It is, therefore, in the cadet's best interest to become familiar with these social customs.

### 13.2 Titles

In a military environment, each member has a military grade which becomes their title by force of regulation and custom:

- a. Titles of Officers. Lieutenants are officially addressed as "Lieutenant." The terms "First" and "Second" are generally used only in written correspondence. Other commissioned officers are addressed by their title. In non-official correspondence and conversation, Brigadier Generals, Major Generals, and Lieutenant Generals are addressed as "General." Under the same conditions, Lieutenant Colonels are referred to as "Colonel." Chaplains are addressed as "Chaplain." Frequently, senior officers will address juniors by their name. However, this in no way gives the junior the privilege of referring to the senior any way other than by his/her proper title.
- b. Titles of Non-Commissioned Officers. Non-Commissioned officers are addressed by their titles. Sergeant Major and First Sergeant are addressed as "Sergeant Major" and "First Sergeant," respectively. All other sergeants are referred to simply as "Sergeant."
- c. Titles of Cadets. Cadets are referred to as "Cadet (followed by Cadet rank and last name)," or simply as "Mister" or "Miss."
- d. Use of "Sir" or "Ma'am." In addressing a military senior, a cadet uses the word "Sir" or "Ma'am". In the military, however, the matter of who says "Sir" or "Ma'am" to whom is clearly defined. As a general rule, "Sir" or "Ma'am" is used in speaking either officially or socially to any senior. "Yes" or "No" should not be used in speaking to a superior without including "Sir" or "Ma'am." On the other hand, "Sir" or "Ma'am" should not be said with every other breath to the point of annoyance.

### **13.3 Place of Honor**

An ancient military custom dictates that juniors should always walk or sit to the left of seniors. For centuries men fought with swords, and because most men are right-handed, the heaviest fighting occurred on the right. The right of a battle line was the post of honor. When a senior walks or sits to the right, he/she is symbolically filling the post of honor.

### **13.4 Saluting**

Since antiquity, men of arms have rendered some form of salute as an exchange of greeting. In the age of chivalry, it was common that knights were mounted and wore steel armor which completely covered their body. When two friendly knights met, it was the custom for each to raise his visor and expose his face to the other. This demonstration of respect was executed with the right hand. It was a significant gesture as it exposed the features and also removed the right hand (the sword hand) from the vicinity of the weapon.

Since MMI is a military school, saluting is an important feature of our military traditions and customs. A smart and proud salute indicates both the attitude and the degree of self-discipline and proficiency of the individual.

**How to salute.** The proper hand salute is rendered by raising the right hand smartly until the tip of the forefinger touches the headdress just above and slightly to the right of the right eye. The fingers are lined tightly together, and the thumb lies snugly along the side of the hand. The hand, wrist, and forearm are aligned straight from the fingertips to the elbow. The upper arm (elbow to shoulder) should be horizontal (parallel to the ground).

When rendering the hand salute, turn the head and eyes toward the person or flag being saluted. Bring the hand to the correct position in one motion, without any preparatory movement. Hold the salute until the person being saluted drops his/her hand, then bring the hand directly down to its natural position at the side. Do not slap the leg or move the hand out to the side. Any flourish in executing the salute is improper.

Figure 3-5. Hand Salute

### When to salute

- a. All personnel in uniform salute when they meet and recognize persons (even out of uniform) entitled to the salute, except on public conveyances or in public places (e.g., depot, theater, air terminal, restaurant, or building). Recognition distance is saluting distance, except when walking toward an officer, in which case the salute is rendered six paces from the senior officer.
- b. Salute when “The National Anthem,” “To the Colors,” or “Hail to the Chief” are played. If in an automobile, dismount, come to “Attention,” and salute toward the flag or the sound of music if the Colors are not visible.
- c. When uncased National Colors or Standard passes within six paces.
- d. On ceremonial occasions.
- e. In all official greetings with an officer senior to oneself.
- f. At Reveille and Retreat.
- g. During the rendering of honors.

**NOTE:** When in a formation, only the unit’s leader salutes.

**NOTE:** If the right hand is burdened by carrying something, switch the item to the left hand and then salute. If the right hand/arm is unusable (e.g., broken), left-handed salutes are permitted.

### **Where to Salute**

- a. Outdoors – salutes are always exchanged between individuals and groups.
- b. Indoors – only when required to report to someone of higher rank.

**NOTE:** Members of the Naval Service (i.e., Navy, Marine Corps, or Coast Guard) do not salute when uncovered (no hat) even if saluted first.

### **Whom to Salute**

- a. The subordinate is required to initiate the salute to all officers of superior rank.
- b. **Cadets will salute all faculty and staff members awarded the rank of officer.**
- c. Officers of the military of all nations.
- d. Accompanying the hand salute with an appropriate greeting such as, “Good morning, sir” is expected.

**NOTE:** Only one salute is rendered if the senior remains in the area. However, conversations begin and end with a salute.

### **When Not to Salute**

- a. When at work or engaged in PT.
- b. Indoors, except when reporting.
- c. When a salute is obviously inappropriate (creates an unsafe situation)
- d. When in a formation, unless in charge of the unit.

## **13.5 Classroom Reporting Procedures**

The following reporting procedure is optional for all MMI instructors.

A cadet section leader may be appointed for each class to check absentees, assure the classroom is policed after class, and assist the instructor in getting cadets to their seats. At the beginning of class, the section leader comes to attention and calls: “Section, Attention!” Then he/she salutes the instructor and reports “Sir (Ma’am), Section \_\_\_\_\_, all present”, or “\_\_\_\_\_ cadets absent,” as appropriate. The instructor returns the salute and gives the command, “Take seats.” At the end of class, the instructor calls “Section leader, take charge of your section,” and may give other directions, such as for rearranging the desks. The section leader stands at attention and calls, “Section, Attention,” salutes the instructor, and directs the section to police the room assuring it is ready for the next class.

When reporting to senior personnel, the following procedures apply:

- a. When reporting indoors, the cadet knocks firmly three times at the officer’s door and enters when directed.
- b. The cadet approaches to within two steps of the center of the officer’s desk, halts, salutes and reports.
- c. While holding the salute, the cadet states, “Sir/Ma’am, Cadet (last name) reporting as ordered.”

- d. The cadet will drop the salute when returned by the officer.
- e. When reporting outdoors, the cadet will rapidly move to the vicinity of the officer, salute and report as described above.
- f. When reporting to a non-commissioned officer, the procedure will be as described above, but without saluting. Come to parade rest

### **13.6 Instruction and Commands**

When in a classroom after the beginning of class and after normal reports are rendered, cadets continue their class work without interruption when a senior officer enters. The same is true in an outdoor training situation when a senior officer approaches.

When a faculty officer or senior cadet officer enters a cadet room or approaches a group outside, the first cadet to notice the visitor will assume the position of attention and call, "Room (Group) Attention!" Similarly, when a faculty officer or other inspector enters the barracks, the first cadet to notice will assume the position of attention and call "Barracks, Attention!" This command will not be given for a cadet officer except for scheduled inspections. The phrase "Officer in the Hall" will not be used normally. A barracks will not be called to attention during AMCQ or PMCQ.

When outside the normal classroom environment, a cadet should come to parade rest when talking with or answering an officer or a more senior cadet officer.

Prior to giving commands to a unit or a group of individuals, the leader should first assume the position of attention. A reminder concerning courtesy and consideration of others – leaders should normally place their units so that they are not facing the sun while receiving training outside. Also, avoid the need for cadets to remain at attention for extended periods of time.

### **13.7 Receptions/ Conferences**

Receptions vary greatly in form ranging from a very small gathering in a home or garden to a very large gathering at a club ballroom, but regardless of the form, the rules of etiquette differ very little.

To receptions, balls, dinners, or other social occasions, ensure you arrive at the appointed time.

Upon arrival immediately pay respect to the host and hostess. Greet them with an expression such as, "Good evening, Colonel (Mrs.) Austin. You are so kind to have invited me" or "Thank you for inviting me."

Conversations at a reception should be light and of short duration. Remember, the reception is a place for lighthearted conversation and entertainment, and not for solving world or work issues. At a reception, it is most discourteous to associate exclusively with one's friends. When it is desired to leave one group to greet other friends, simply say, "Excuse me," and depart.

The duration of stay at a reception depends upon its size and type. At larger receptions, one should remain for approximately forty-five minutes. At smaller receptions, one may remain for an extended period. Proper etiquette is just as important in leaving a reception room as in entering. Departing a reception should be timely and brief. If standing, merely go to the host and hostess, present your thanks, and depart. Guests should not leave prior to the departure of the guest of honor or senior member present.

### **13.8 Introductions**

Introductions should be very simple and straightforward. First, when introducing men, present the junior to the senior and mention first the name of the senior followed by the name of the junior. For example, “Colonel Brady, may I present Lieutenant Colonel Walker?” Second, when introducing people of equal rank or seniority, it does not matter whose name is given first. For instance, “Major Grant, this is Major Grace.” However, in some instances although the two officers may hold the same rank, one may hold a senior position thereby rating seniority.

A third rule is to present gentleman to ladies, except when the President, heads of foreign government, royalty, or members of the clergy are involved. It is proper in such a case to present the lady to the dignitary. However, when in doubt, always present the gentleman to the lady. A gentleman will never object to being introduced to a lady. When making the introduction, always mention the name of the lady first. For example, “Ms. Gomez may I present Sergeant James?” A fourth rule is that a young lady is always presented to a senior lady first, then to the other ladies present in descending order of seniority. If men are present, they are presented to the young lady in descending order of seniority. Introductions in large groups are usually the easiest. Merely state the name of the new arrival and then the names of the others in the order they are standing or sitting.

When being introduced, look directly into the face of the person being met and offer an appropriate greeting followed by his/her name. Adding the name of the person to the greeting will aid in remembering the individual. Only if a lady offers her hand should a gentleman shake hands with her, and then with a light to moderate grip. When gentlemen are introduced to one another, the handshake is mandatory.

When outdoors, gentlemen should remove their glove before shaking hands provided it does not delay the greeting. In the latter case, use of the phrase “Excuse my glove” would be appropriate. Ladies are not expected to remove their gloves if they choose to shake hands.

Remember, never rush the introduction. Speak slowly and distinctly. Never take the lady to the gentleman to be presented, but instead the gentleman to the lady. Do not present seniors to juniors. Female members of the Armed Forces are introduced according to rank rather than gender.

No one enjoys his/her name being forgotten or mispronounced. If you cannot remember a name and it is your responsibility to make the introduction, simply apologize to the person and ask for the name again. Remembering requires self-discipline and effort, and will serve to make a good impression upon new acquaintances.

### **13.9 Invitations and Responses**

Every invitation deserves the courtesy of a prompt reply. “R.S.V.P.” means that response is necessary whether the intent is to accept the invitation or to decline it. “Regrets Only” means that you need not respond unless you intend to decline the invitation.

## CHAPTER 15 GENERAL INFORMATION

### 14.1 Awards

Awards generally take the form of certificates, ribbons, medals, and promotions. Positive written counseling is awarded for exceptional behavior. Decorations are awarded in recognition of, and as a reward for, outstanding performance. Awards will be worn by authorized personnel in the manner prescribed.

Throughout the year, cadets will receive various awards from numerous organizations, both external and internal to the campus community. An awards assembly is held annually. A list of those awards, medals, and certificates is provided below.

## 14.2 Computer Use Policy

**General.** The Information Technology Department (IT) provides cadets with numerous notifications throughout the academic year. These notifications are distributed by e-mail to all cadets. These notifications contain important operational and administrative updates. Please note that cadets are held accountable for all information contained within e-mails transmitted to them via their student e-mail accounts. All cadets must fully understand the administrative requirements as well as the operational functions required to access your MMI e-mail account. If you encounter problems and cannot access your account, notify your chain of command and the IT department immediately. **All cadets are responsible to access their MMI account daily.**

The library is equipped with computers to access the internet as well as the MMI e-mail account. In addition, all barracks rooms are equipped with wireless internet access. Cadets are encouraged to bring a computer with adequate computer power and Wi-Fi capabilities for academic coursework, as well as for communicating with family and friends by e-mail. **Computer Monitors should not exceed 24 inches in size.**

Specifics to the computer use policy include:

- **E-mail is an official means for communication within MMI.** Therefore, MMI has the right to send communications to cadets via e-mail and the right to expect those communications will be received and read in a timely fashion.
- Information Technology Services will assign each cadet an official MMI e-mail address to which the Institute will send e-mail communications. This official address will be the address listed in MMI's Enterprise Directory for the cadet.
- A cadet may have e-mail electronically redirected from his/her official address to another e-mail address at his/her own risk. MMI will not be responsible for handling of e-mail by outside vendors or by departmental servers. Having e-mail redirected does not absolve a student from the responsibilities associated with communication sent to his/her official e-mail address.
- **Students are expected to check official e-mail addresses daily to stay current with MMI communications since certain communications may be time-critical.**
- In general, e-mail is not appropriate for transmitting sensitive or confidential information unless its use for such purposes is matched by an appropriate level of security. Confidentiality regarding student records is protected under the Family Educational Rights and Privacy Act of 1974 (FERPA). All use of e-mail, including use for sensitive or confidential information, will be consistent with FERPA. E-mail should not be the sole method for notification of any legal action.

**User Expectations.** MMI provides computing resources and worldwide network access to members of the MMI electronic community for legitimate academic and administrative pursuits to communicate, access knowledge, and retrieve and disseminate information. All members of the MMI community (faculty, staff, cadets, and authorized guests) sharing these resources share the rights and responsibilities for their use.

MMI bears the responsibility and has the authority to allocate or otherwise limit access to computer and network resources to ensure their most effective and economical use. Such limitations may include restriction on streaming and other social networking sites during academic and other designated study or “quiet” hours such as PMCQ.

Computer users should have no expectation of privacy in material sent, received, or stored by them on or over MMI computing systems or networks.

**Legal Concerns.** For legal purposes, all network usage is monitored and electronically stored. As a result, MMI may examine electronic information stored on or passing over its equipment or networks to ensure:

- a. Security and operating performance of its computer systems and networks;
- b. MMI’s policies are enforced;
- c. Compliance with federal, state, or local laws where examination is approved in advance by the President, the Executive Vice President, the CIO, or the Commandant of Cadets and there is reasonable suspicion that a law or MMI policy has been violated and examination is appropriate to investigate the apparent violation; or
- d. Compliance with federal, state or local laws.

To avoid criminal or civil liability, users shall:

- a. Avoid any activity that impairs the operation of computers, terminals, peripherals, or networks;
- b. Avoid any acts or omissions that might subject them or MMI to criminal penalties or to civil liability;
- c. Be aware that, if any other state or federal law makes them or MMI criminally or civilly liable for certain conduct, the law still applies even if not specifically described herein. If state or federal law prescribes consequences for particular conduct, the user and MMI may suffer those consequences even if violations are not described herein;
- d. Be aware that, under law, they may be required to reimburse MMI for any amount of money paid to another because of injury caused by user conduct; and
- e. Not install switches, hubs, routers, wireless access points, or any other active or passive network device other than a personal workstation, printer, or a file, print, or applications server.

**System Protection.** Network management and protection applications are in place to enforce computer policies and maximize bandwidth usage among all users. It is the cadet’s responsibility to ensure his/her computer has the latest security updates and anti-virus protection. Microsoft Security Essentials (<http://windows.microsoft.com/en-us/windows/security-essentials-download>) and AVG Free (<http://www.avg.com/us-en/download.prd-afh-free>) are freeware and can be downloaded for no charge.

**Use of Networks.** Networks are a form of property controlled by agreements between providers and users. Furthermore, public networks are regulated and violating a federal, state, or local regulation may bring criminal or civil penalties.

**Improper Use of the Internet and Blogs.** Use of vile, crude, and vulgar language and/or lewd pictures is considered “Conduct Unbecoming a Cadet.” Likewise, lewd, crude, and vulgar criticism of other cadets, faculty, or staff will be considered “Conduct Unbecoming a Cadet” and subject to appropriate disciplinary action.

**Use of Software.** Computer software is a form of intellectual property controlled by licenses that spell out clearly how it may be used and distributed. License provisions regulating the use and distribution of computer software must be strictly followed. Use or distribution of software in violation of license provisions may subject the violator to criminal and civil penalties, as well as to civil liability to the licensor.

**Security.** MMI treats electronically stored information, including personal files, as confidential. Misuse of campus e-mail, the Internet, or networks may be subject to criminal, civil, and/or college sanctions. Under state law, no one may use, transmit, change, or delete another user's files or software without permission, or introduce destructive software such as programs known as computer viruses, Trojan horses, or worms, into any computer, computer system, or network.

**By connecting to the MMI network and logging on with a valid ID and password, users understand and agree to abide by these guidelines.**

### **14.3 Social Network Policy**

Social network sites such as Facebook, Instagram, Vine, Twitter, Snap Chat, Google +, Yik Yac and other digital platforms and distribution mechanisms facilitate students’ communication with friends, teammates, other students, and more. Participation in such networks has both positive appeal and potentially negative consequences. It is important that MMI cadets be aware of these consequences and exercise appropriate caution if they choose to participate.

In general, cadets are not restricted by MMI from using any on-line social network sites and digital platforms. However, their usage is monitored. This document outlines minimum standards for cadet participation in social media platforms. Additional restrictions may apply to varsity athletes.

***Cadets must understand that any content made public via on-line social networks or digital platforms is expected to follow acceptable social behaviors and also to comply with federal, state, local, and MMI laws, rules, regulations, and policies. It is incumbent upon cadets to be aware of these rules. Ignorance does not excuse cadets from compliance.***

Facebook and similar sites are hosted outside the MMI server. Violations of school policy (e.g., harassing language, alcohol or drug policy violations, etc.) or evidence of such violations in the content of on-line social networks or digital platforms are subject to investigation and sanction under the cadet disciplinary system, as well law as enforcement agencies. These sites are monitored periodically by various MMI faculty, staff, and administrative personnel.

The following guidelines are intended to provide the framework for cadets to conduct themselves safely and responsibly in an on-line environment. Cadets should:

- a. Be careful how much and what kind of identifying information is posted on on-line social network sites or twitter feed or comments. Virtually anyone can access a cadet's page and posts. Discretion must be used in adding friends or followers, especially those who are unknown. It is unwise to make available information such as full date of birth, social security number, address, dorm room number, cell phone numbers, class schedules, bank account information, or details about daily routines. All can facilitate identity theft or stalking. Facebook and other sites provide numerous privacy settings for information contained in its pages. Use these settings to protect private information. However, once posted, the information becomes the property of the website.
- b. Be aware that potential current and future employers often access information placed on on-line social network sites. Cadets should think about any information posted on-line potentially providing an image of you to a prospective employer. The information posted is considered public information. Cadets should protect themselves by maintaining a self-image that they can be proud of for years to come.
- c. Be aware that sites are monitored by many people.
- d. Be careful in responding to unsolicited e-mails asking for passwords or PIN numbers. Reputable businesses do not ask for this information in e-mails.
- e. Not have a false sense of security about their rights to freedom of speech. Understand that freedom of speech is not unlimited. The on-line social network sites are NOT a place where cadets can say and do whatever they want without repercussions.

Certain conduct is prohibited. Cadets must remember that they are representatives. First and foremost, cadets represent their families. Cadets also represent MMI and even though some cadets will not seek military service, all cadets represent the military. When others find out cadets attend a military school, they will associate them with the military so the conduct of a cadet may very easily influence public perception of the armed forces. It is important that cadets recognize the power of public media domains and the potentially negative image they can portray about cadets, faculty, staff, administration, alumni, the college, and the community.

The following acts are prohibited in posts or tweets, as well as reposts or retweets:

- a. No vulgar or offensive language
- b. No vulgar or offensive images
- c. No negative complaints or malicious posts about or towards another cadet, school organization, or member of the faculty, staff, or administration.
- d. No posts involving or picturing “suggested” use of alcohol, tobacco, illegal drugs, or firearms of any kind

Cadets are expected to understand and will sign a statement acknowledging they know, understand, and will follow the standards pertaining to social networks.

#### **14.4 Student Complaints Against Faculty or Staff**

The purpose of this procedure is to provide a means for resolving legitimate complaints. A complaint is defined as a grievance that cannot be resolved informally. A student may file a complaint against a member of the MMI faculty or staff. Prior to a formal written complaint, students are encouraged to discuss the matter with the faculty or staff member’s direct supervisor to attempt to resolve the grievance informally. If the grievance cannot be resolved informally or to the student’s satisfaction, the student may file a formal written complaint. All formal complaints must be filed with the MMI Director of Human Resources, located in the Administrative Building, within five (5) business days from the date the incident occurred. A written formal complaint must include the following:

1. Student name, physical campus address, cell phone number, and email address;
2. The name of the faculty or staff member against whom the complaint is being filed;
3. The facts on which the complaint is based, including dates, times, and witnesses;
4. A summary of what has been done in an attempt to resolve the situation;
5. The resolution requested.

Written complaints will be received by the Director of Human Resources, who will review the complaint and discuss it with the student and appropriate department(s). The Director of Human Resources may designate a college official to respond to the student. Absent extenuating circumstances, the Director of Human Resources, or designee, will provide a written response to the student within fourteen (14) calendar days from the time the written formal complaint is received.

#### **14.5 Family Educational Rights and Privacy Act (FERPA)**

The CIO (Academic Dean) and the Registrar are the custodians of a cadet’s academic record. The permanent academic record is defined as all completed coursework, grades, and grade point

averages. The cadet's academic records paper file will include, at a minimum, the cadet's application for admission, college entrance examination scores, high school transcript, and transcripts from other colleges attended (if applicable). A cadet's request for the release of any academic record information must be in writing. All academic records are kept in accordance with policies set for by the Family Educational Rights and Privacy Act (FERPA) of 1974, as amended, which is also known as the Buckley Amendment.

Per FERPA, the College may release "Directory Information" as defined by MMI, unless the cadet informs the Registrar, in writing, that he or she wishes that the information not be disclosed. Directory information, as defined by MMI, includes the cadet's name, addresses (home, mailing, campus, email), telephone numbers, class level, previous institutions attended, awards, honors (including Dean's List and President's List), degrees conferred (including dates), dates of attendance, names of parents, past and present participation in officially recognized sports and activities, physical factors (e.g., height and weight of athletes), and date and place of birth. A written request to withhold Directory Information must be filed with the Office of the Registrar by the third week of the semester.

Additional information regarding student rights under FERPA may be found on the U.S. Department of Education's website: <http://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html>.

#### **14.6 Financial Aid**

MMI endeavors to provide higher education for its cadets and to assist those who have insufficient financial resources for the pursuit of their studies at MMI. The office of Financial Aid is located in the Administration Building for assistance to cadets.

#### **14.7 Financial Responsibility for Educational Costs**

Cadets are expected to be financially responsible. Financial obligations take effect on the first day of classes. If notice of withdrawal is received prior to this date, a full refund of tuition and fees will be made with the exception of the application fee and the room deposit which are non-refundable. If a cadet withdraws or is dismissed after this date, *MMI must follow the Tuition Refund policy 803.02 issued by the State Board of Education*. Additionally, if a cadet fails to clear MMI, the cadet may be subject to clearing charges, damage charges, cleaning charges, lost items (e.g., keys), and/or collection fees.

#### **14.8 Motor Vehicles**

**General.** Operating vehicles on campus is a privilege, as such, this authorization can be revoked, suspended or limited at any time for infractions of MMI rules. Motorcycles, motorbikes and motor scooters are not permitted on campus. Only the legal owner or operator (registered with MMI) of the vehicle is allowed to drive on campus. Cadets are forbidden to loan or allow other cadets to borrow/operate their vehicles at any time.

**Registration.** All cadet vehicles must be registered with the Transportation Officer within 24-hours of arrival on campus. Required documents for registration are a valid driver's license and

name of registered owners and mandatory liability insurance in accordance with State of Alabama law. Unregistered vehicles will have a wheel locking device applied until the vehicle is properly registered and a \$25.00 fine will be assessed. Once registered, a \$20.00 registration fee will be added to the cadet's account.

**Parking.** Cadet parking is located in the large lot directly in front of Buildings and Grounds at the end of Hannah Street. This is the ONLY authorized cadet parking (some leadership cadets will park in the Lovelace Lot). Short term parking (less than 30 mins) by the barracks is only allowed on moving days. The Cadet Lot is secured during hours when cadets are to be on campus. In an emergency or other authorized exception, Cadets can contact the OC who will unlock the gate to allow Cadets into or out of the lot. These exceptions will be noted in the OC log.

**Amnesty Lot.** Cadets who arrive after the gates to Cadet Parking are locked will park in the "Amnesty Lot" – the area along the exterior fence to the right of the gate. Cadets will park "nose in" to the fence in order to maximize parking space and efficiency in retrieving vehicles. Cadets are directed to return their vehicles to the parking lot as soon as possible the NEXT day in order to avoid additional penalties. If the Amnesty Lot is full, cadets will park at the Golf Course parking area. Double-parking or parking in a "non-parking" spot in the Amnesty Lot will result in a parking violation and be ticketed.

Parking in the Amnesty Lot shields cadets from receiving monetary tickets, however, if their late arrival is not excused, they will be subject to counseling, warning, demerits, or being awarded penalty hours by their TAC. If a cadet has returned to campus for accountability on time, but failed to have their vehicle in the student lot on time, they are still subject to the below penalties.

The following is a general guideline for late returns, TACs have the discretion to make the penalties more or less severe given the specific circumstances.

- 1<sup>st</sup> offense - Warning
- 2<sup>nd</sup> offense - 3 Demerits
- 3<sup>rd</sup> offense - 5 Demerits
- 4<sup>th</sup> offense - 7 Demerits
- 5<sup>th</sup> offense - Loss of parking privileges on campus for 1 semester (if all 5 were within same semester OR 7 in two semesters OR 10 total in 3 semesters plus)

*Failure to return vehicle from amnesty lot to student parking lot prior to 1200 the following day will result in the cadet receiving 5 demerits for failure to follow instructions (all cadet vehicles must be parked in parking lot for which they have a sticker for at all times)."*

**Searches** - By registering your vehicle on campus you have granted consent to search by MMI personnel. MMI will only search a vehicle for issues of safety, security, or possible infractions of MMI rules, regulations or policy. MMI will only search if there is probable cause or reasonable suspicion of an infraction.

**Violations** - Unauthorized parking will be cited, fined, and a wheel locking device may be attached based on the violation. Parking citations are issued by the Transportation Officer who is

the authority on all parking issues. Multiple violations of MMI's parking rules and any unsafe operation of a motor vehicle will be referred to the Commandant of Cadets for appropriate disciplinary action.

**Parking Fees and Penalties.**

- a. Parking Fee: \$50.00 per semester.
- b. Parking Decal: \$5.00 – Replacement Decal, \$10.00
- c. Parking fines: 1<sup>st</sup>= \$25.00  
2<sup>nd</sup>= \$35.00  
3<sup>rd</sup> = \$50.00  
4<sup>th</sup>=Disciplinary Action
- d. Wheel locking device removal fee (in addition to violation): \$25.00

**Wheel Locking Devices.** A “boot” may be placed on a vehicle for infractions of MMI rules and regulations. This can include both parking/driving infractions as well as general disciplinary violations. Vehicles can only be booted by order of the Transportation Officer or the Commandant of Cadets. The Transportation Officer is the only person authorized to remove boots. MMI accepts no responsibility for any loss or damage to vehicles caused by misuse of the vehicle while booted or by any attempt by unauthorized personnel to remove boots illegally.

**Driving on Campus.** The speed limit on campus is 15 MPH except for Wilkerson Drive where the posted speed limit is 10 MPH. Drivers should exercise caution and decrease speed during periods of limited visibility, darkness, inclement weather, or when pedestrians are present. Cadets returning to campus, cadets will proceed directly to their assigned parking area before signing in at the Guard House. Cadets will sign out at the Guard House, then go to the lot.

**Disabled Vehicles.** In the event of a mechanical failure, the vehicle's registered operator must report the situation to the Transportation Officer and make arrangements to have the vehicle removed as soon as possible.

**Driving Infractions.**

- a. **Reporting.** Any cadet, faculty or staff member can report reckless driving or other infractions to the Transportation Officer. The Transportation Officer is the only staff member authorized to write tickets. The Commandant is the only person authorized to excuse any violation.
- b. **Penalties.** Penalties can include monetary fines, loss of vehicle privileges, disciplinary action, impounding or towing of the vehicle from campus. Only the Commandant or President can authorize towing. In the event a vehicle is towed, the registered driver is responsible for all costs. Additionally, the following fines may be assessed for each violation:
  - Speeding \* \$10.00 (2<sup>nd</sup> \$20, 3<sup>rd</sup> \$30, 4<sup>th</sup> \$40)
  - Running Stop Sign \$10.00 (2<sup>nd</sup> \$20, 3<sup>rd</sup> \$30, 4<sup>th</sup> \$40)
  - Reckless Driving \$25.00 (2<sup>nd</sup> \$50, 3<sup>rd</sup> \$75, 4<sup>th</sup> \$100)
  - Excessive Noise\* \$25.00 (and possible loss of vehicle privileges)

\* this is left to the discretion of the Transportation Officer, OC or Commandant. Excessive noise is disrespectful and therefore prohibited. Sound Systems in vehicles should be maintained at a volume that doesn't cause a distraction to staff, faculty and cadets on campus. Additionally, loud and obnoxious exhaust systems are considered excessive and will not be permitted. Failure to comply may result in formal disciplinary action through the Commandant of Cadets.

**MMI Transportation (Emergencies).** In emergency transportation situations, cadets will use MMI transportation assets at all times. A Cadet's TAC officer, OC, or the Nurse can make exceptions to this rule. Exceptions can be made provided the cadet who drives will not miss any of his/her assigned duties. This includes class, Penalty/Study Hall hours, PT, Guard Duty, or any other assigned duty. The driving cadet should not depart prior to 0600 and must return to campus by 2200.

**Transportation Office** - Located in the Maintenance Building on Hanna Street, (334) 683-2326 or (334) 683-2355 office, (334) 292-0288 cell.

**Liability.** MMI is not responsible for any theft or acts of vandalism to private vehicles. Owners are encouraged to obtain comprehensive insurance to cover these.

#### **14.9 Reserve and National Guard Drill Periods**

Cadets participating in military drill periods must have leave requests validated through the Office of the Commandant of Cadets. All cadets must be prepared to provide documented evidence concerning National Guard and Reserve drill periods. Permission to miss academic classes must be granted by the CIO.

If possible, it is requested that cadets provide a signed copy of their unit's drill schedule or a letter from their **commander** to the Commandant of Cadets and the ARNG/USAR Liaison in the ROTC Department within the first week of reporting to campus. **Lying or deceit related to drill requirements is considered an honor and integrity violation and will be treated as a Category II offense and referred to the Honor Council.**

Cadets who request a medical examination to enter the Armed Forces or to undergo any other military testing or processing must present official documentation from MMI's Military Science Department or a Department of Defense representative.

#### **14.10 Reserve Officers Training Corps (ROTC)**

Both Army and Air Force ROTC are offered. MS I and II (basic) are required courses for all cadets except those enrolled in Air Force ROTC. MS III and IV (advanced) are offered to contracted ECP cadets.

#### **14.11 Bookstore**

The Tiger's Den Bookstore offers textbooks, supplies, health care products, uniform care products, and personal hygiene products, as well as an assortment of memorabilia.

**Textbook Purchases.** Cadets may purchase books anytime throughout the semester during regular bookstore hours. Books and supplies may be charged to cadet financial aid if authorized by the Financial Aid Office. All tuition and fees, however, must be satisfied before credit may be awarded for the procurement of textbooks or supplies through the Office of Financial Aid. Charging textbooks and supplies utilizing financial aid will be limited to specific posted dates. Textbooks not being used the following semester will be quickly sent back. Therefore, cadets are encouraged not to procrastinate concerning purchasing required textbooks.

**Bookstore Buyback.** During final exam days, the Bookstore will buy back specific textbooks. Textbooks considered for buyback is at the discretion of Director of Auxiliary Services. Textbooks that are no longer being used or are damaged will not be eligible for buyback. Textbooks sold with access codes that have to be replaced in order to be resold will not be eligible for buyback. Cadets may sell textbooks back to the Bookstore for up to 50% of their purchase price.

**Textbook Refunds.** Full refunds will be given for new textbooks only if they are returned in an unused condition during the Drop/Add date. Purchased used books are refunded at the purchase price. Receipts are required for all refunds. A refund credit will be issued to the cadet's account and may be applied to a future purchase of books and supplies. A refund check will be issued by the Business Office for any unused credit.

**Athletic Scholarship Book Policy.** Cadets on athletic scholarships receiving textbooks must return them at the end of the semester during final exams. This includes all textbooks, study guides, and solutions manuals. Cadets not complying will be placed on bookstore processing hold list. Transcripts, registration, grades and cadet payments may be held until all financial obligations are satisfied. The cadet must pay for any textbooks not returned.

#### **14.12 Cadet Health Center (CHC)**

The MMI CHC provides medical care to the cadet for the treatment of minor illnesses and injuries that do not require hospitalization. Cadets suffering from illness or injury will be treated and released or transported to the doctor for further treatment. Personal expenses will be incurred if cadets are transported to the doctor. Proof of immunization for Tuberculosis (TB) and Measles (MMR), and two injections of measles vaccine since first birthday, are required prior to registration. Proof of a negative Tuberculin test or chest x-ray within the past twelve months must be presented at time of registration.

MMI does not provide 24-hour-per-day medical care. The CHC staff is available from 0700-1600 Monday through Friday. Medical personnel will be on call after hours for consultation. In the event of an emergency, illness, or injury after routine CHC hours, the OC should be notified. The OC should then contact the RN on call for consultation. If the RN determines immediate care is needed, he/she will direct the OC in the action to be taken. If emergency transportation is needed, the OC will be directed to call Perry County E-911 at 334-683-9071 for transport to the nearest medical facility. In non-emergent situations where the RN determines the cadet needs to

be seen at the hospital, the OC will make arrangements for transportation often at the cadet's expense.

Cadets who report to the CHC are not automatically excused from class, duty, formation or mandatory activity. The cadet will sign in and out upon arrival and departure from the CHC by **printing** his/her name and placing the correct times in the appropriate slots on the CHC daily report. The time will be verified by the CHC staff and the cadet's status will be noted when care is completed. A copy of this report will be sent to the Commandant of Cadets' Office daily.

Cadets are responsible for all charges related to health care including medical appointment transportation, all medications, and treatments or tests regarding their illness/injury. It is the responsibility of the cadet to provide current medical insurance information to the CHC, physician's office, hospital, lab, pharmacy, or any other healthcare provider. Failure to do so will result in the cadet being billed for these services.

**Bed Rest Profile.** The CHC Staff or the Physician's Office may place cadets on bed rest. A Bed Rest Profile Slip will be issued to the cadet upon release. A cadet placed on bed rest will be required to stay in his/her assigned barracks room. Bed rest will commence when the CHC (not the physician's office) places the cadet on a bed rest profile. If a cadet is placed on bed rest on Friday before an open weekend, he/she will be confined to campus until the morning of the first day of classes.

Leave immediately following bed rest/quarters will be at the discretion of the Director of Health Services depending on the degree of the illness if the cadet in question has been on bed rest the previous day. The only exception is if the cadet must go for further medical care, which must be approved by the CHC.

**Emergencies.** If any medical emergency occurs, the senior cadet or staff member should notify the Commandant of Cadets' Office immediately. If someone is found unresponsive, do not move him/her. Call for help and stay with the person until medical help arrives. If a cadet is cardiopulmonary resuscitation (CPR) certified, he/she should assess the person and start appropriate life saving measures. Cadets will be transported for emergency care and may or may not be accompanied by another cadet or staff member.

**Medications.** It is recommended that cadets make financial arrangements with College City Drug in the event any medications are needed. College City Drug Store will not fill any prescription until payment has been received. Questions should be directed to either Paula Boyle or Doris Nichols at (334) 683-6166. No medications will be delivered to CHC "cash on delivery." For cadets who take routine medications, it is recommended that their physician write prescriptions with refills for all medications to be placed on file in the CHC until needed. It is recommended that cadets who must have new prescriptions written monthly have their physician write these prescriptions for each month of the school year and mail or bring them to the CHC to be placed on file until needed. All prescription medications must be in the original prescription bottle or container. Each medication must be labeled with the Cadet's name, name of the medication, dose to be administered, time(s) to be given, the prescribing physician's name, and the pharmacy name and address. If the cadet's doctor provides medications, they must be

labeled as stated above. The CHC will not administer any medications that are not properly packaged and labeled.

Cadets are responsible for keeping and taking their own medications. However, cadets can make arrangements with the CHC to disperse medications. All medications whether prescription or non-prescription, should be secured in a locked area such as a footlocker.

**Medical Leaves.** Cadets will receive a yellow Medical Leave form if their appointment is for that day. Otherwise, it will be provided to the Guard House on the day of the appointment. All medical appointments must be coordinated through the CHC by the cadet. Cadets who receive appointments requiring an overnight stay will be placed on leave to be processed in the following order:

- a. CHC,
- b. CIO (Academic Dean) if missing classes, and
- c. Commandant of Cadets' Office

Cadets will report to the Guard House no earlier than 15 minutes prior to his/her local medical appointment and will sign out on the yellow Medical Leave form. All out of town appointments will be handled on a case-by-case basis. Upon returning from any type of Medical Leave, the cadet will sign in at the Guard House and proceed immediately to the CHC with the physician's recommendations, medications, and follow-up appointments.

Out of town medical appointments should be scheduled only when the service is not available locally or when insurance coverage requires so. All transportation requirements for these appointments will be coordinated through the CHC. Cadets should arrange their own transportation. The CHC and Commandant of Cadets' Office will assist in any way possible. Any transportation arranged by the CHC will involve a charge, to be paid before being transported except in the case of emergencies.

All routine appointments must be scheduled during school breaks. This includes, but is not limited to, dental and vision exams, annual physicals, and Pap Smears. Medical Leaves will not be issued for non-illness/injury related medical appointments. The CHC is not responsible for, and will not schedule, appointments for cadets unless it is due to an illness or injury. MMI is not responsible for transporting cadets to appointments. If transportation is provided by MMI for appointments, a charge will be assessed and must be paid before the cadet is transported.

**Physical Profiles.** Whenever an illness or injury results in a cadet being placed on an "other than normal duty status," the cadet will be placed on a physical profile which will be issued by the CHC. This profile may be recommended by the physician's office, physical therapist/trainer or the CHC. Cadets on physical profiles, other than Quarters or Bed Rest, will report for all formations, drill, and activities. These cadets will bring their profiles with them and participate in scheduled events subject to the profile's limitations.

The original profile will be kept in the CHC and a copy will be sent to the Commandant of Cadets' Office where it will be processed for the Daily Status Report. The cadet's copy of the

profile will be stamped to prevent duplication. All duplicate copies must be obtained from the CHC.

**Sick Call.** Sick Call will be held in the CHC from 0700-0800 Monday through Friday. The CHC is open from 0700-1600 Monday through Friday. Only non-emergent healthcare treatment will be provided during these hours. MMI does **NOT** provide 24-hour-a-day health care services. Cadets must report to the CHC immediately if they are ill and cannot attend classes. The CHC will not issue an excuse for any illness unless the cadet is seen while ill. For example; a cadet cannot miss their first hour class then report to the CHC during the second hour for an excuse from his/her first class.

### **14.13 Church Attendance and Spiritual Development**

Religious practice is encouraged for all cadets. In Marion there are several churches of various denominations. In addition, MMI hosts a mid-week Catholic mass on campus. Cadets desiring to go to Sunday school or mid-week services are allowed to do so, but transportation is not provided. Uniform for Sunday church service in Marion will be Class "C ops" uniform or more formal.

### **14.14 Personal Counseling**

Many cadets find themselves in uncharted territory during their tenure at MMI. MMI professional counselor(s) are experienced and are prepared to address a variety of professional and personal concerns. Hours of operation are 0800-1700, Monday through Friday. For assistance during other than operating hours, contact the Commandant of Cadets' Office or the OC.

Hours of operation are 0800-1700, Monday through Friday at the counseling office in the Bookstore Building. Contact Mrs. Brenda Cook 334-683-2354 for further information. For assistance during other than operating hours contact your TAC or the OC.

### **14.15 Dining Hall**

Proper etiquette and table manners are expected at all times of those who eat in the Dining Hall. The senior cadet at the table will be responsible for the conduct of those cadets seated at that table. Only fruit may be taken out of the dining facility. Personal water bottles and containers are not allowed in the Dining Hall. Cadets are not allowed to fill personal containers with beverages from the Dining Hall. Complaints about food or service should be made through the cadet chain of command and company TAC officer.

The uniform of the day will be worn by cadets inside the Dining Hall. Generally, cadet activities will be concluded so as to provide participants sufficient time to shower and dress in appropriate uniform before the start of the next meal. In the event unusual circumstances exist, consideration will be given to extension of the serving period time. Arrangements for time extension must be coordinated through the Commandant of Cadets' Office and Dining Facility Supervisor.

All meals are served cafeteria style. Cadets will move through the lines and proceed directly to their table upon arrival in the Dining Hall. Faculty and Staff Sponsors of Cadet organizations or activities may coordinate with the Dining Hall Supervisor for use of the dining facility meeting room for special meetings and events. Family members are welcome to eat in the Dining Hall with their cadet for a fee.

#### **14.16 Golf**

The MMI Golf Course is considered part of the campus and all rules and regulations apply. Cadets who rent golf carts must operate them in a responsible manner at all times. Joyriding in areas other than the cart paths is prohibited. If caught, cadets will be banned from renting a golf cart for the remainder of the school year. Cadets participating in golf (and not on the golf team) may wear either a school uniform or MMI issued physical training uniform.

#### **14.17 Food Deliveries**

MMI supports local businesses and encourages cadets to shop locally whenever possible. For safety and security purposes all food deliveries made to cadets on campus must be delivered to the Guard House. The cadet calling in the delivery must come to the Guard House to pay the vendor and pick up the delivery. At no time will a delivery person enter the barracks. **Deliveries are not permitted during PMCO.** PMCO is dedicated for studying and academic preparation.

#### **14.18 Recreational Facilities**

Cadets are encouraged to use on-campus recreational facilities. The Ireland Center including gymnasium and pool, the Tiger's Den Student Center located in the Quartermaster (QM), the MMI Golf Course, the Fitness Center located in the Alumni Gymnasium, the track located at the football stadium, and various fields are available for cadet use at no charge.

#### **14.19 Transportation**

MMI provides shuttle service to and from the local transportation hubs; airports, bus, and train stations, and medical facilities in Birmingham, and Selma for a fee. Cadets will be charged to ride the shuttle bus during school holiday breaks. The shuttle schedule is available on the website and electronic bulletin boards. Email notifications are sent out before registration.

#### **14.20 Off-Duty Employment**

Cadets desiring off duty employment must receive permission from both the CIO (Academic Dean) and the Commandant of Cadets. Application will be made in writing through the Commandant of Cadets. The written approval will be maintained on file in the Commandant of Cadets' Office. Academic standing and disciplinary record will be strongly considered. **Employment is no excuse for missing required events.**

#### **14.21 Telephones**

All Cadets are authorized, but not required, to have cell phones, therefore, possession of a cell phone on campus is a privilege. While MMI strongly encourages Cadets to maintain contact with their family and friends it also promotes positive personal interaction between cadets (face to face discussions). MMI does not assume responsibility for personal property of cadets and is not liable for any damaged, lost, or stolen personal property.

The demands placed on a Cadet's time during a normal duty day do not allow for Cadets to spend time socializing on their phones. The following represents certain restrictions placed on the use of phones on campus.

Cellular telephones:

- Are prohibited, and should not be visible, in classes, library, chapel, dining facility, leadership training complex, formations or any other formal cadet activity (i.e., penalty hour or study hall), unless specifically permitted for that event.
- Cannot be used between Taps and First Call (2200-0600)
- Cadets should keep telephone use in the barracks to a minimum and respect other cadets during PMCQ (1930-2130). No use in common areas (hallways, laundry rooms, day rooms, latrines).
- Cadets can use phones outdoors on campus (if not otherwise prohibited, see first bullet) as long as they are not actively walking. Cadets may stop, take/respond to the call/text, put the phone away and continue walking.
- Cadets may also use phones in established outdoor seating areas such as the QM patio, picnic tables near Trustees, Rane and Lovelace as well as the volley ball pit area, as long as it doesn't cause any disturbance to classes or other cadet activities.
- Cell phones can be used in the Alumni Gym, but ringers must be muted and earphones/buds must be used to listen to music etc.
- Cadets in certain leadership positions can use their phones for official purposes when required (such as in the dining facility).
- Cadets will put their phones down if addressed by a staff, faculty member or Cadet Cadre and address them in a professional and courteous manner.
- Infractions of these rules will result in a minimum 2 PH for "unauthorized use of a phone" and possible confiscation of the phone by faculty or staff.
- Any staff or faculty member who confiscates a Cadet's cell phone is responsible for securing the phone until it is returned to the Cadet.

**14.22 Voting**

Cadets who are at least 18 years old and U.S. citizens are encouraged to register and vote. Cadets may register locally at the Board of Registrars, Perry County Court House 0800-1630, Monday through Friday. Residents of other states should register in their hometowns and vote by absentee ballot. On Election Day, MMI will provide transportation to the local poll.

**14.23 Dummy Rifle**

If a dummy rifle is lost, the cadet must report to the Battalion S-4 within 24 hours of loss of accountability of the dummy rifle. A fee will be assessed to the cadet's account for the loss.

## **APPENDIX A NEW CADET TRAINING**

### **A.1 Intensive Training Cycle (ITC)**

The purpose of the Intensive Training Cycle (ITC) is to successfully transition incoming students into the MMI Corps of Cadets. The ITC is normally conducted within a three-week period at the beginning of the school term. New cadets arrive on campus approximately one week before the commencement of the academic term. During the initial week of the training cycle cadets engage in confidence and team-building skills such as rappelling (basic military mountaineering techniques) tactical team sports, PT, and military marches. Additionally, cadets are introduced to military drill and ceremonies, military courtesy, proper wear and care of uniforms, and other requirements commensurate with cadet life.

During this initial week, many cadets will also be required to complete academic testing. All new cadets will meet with their academic advisors, receive books and supplies, and ensure all other academic requirements are satisfied before classes begin. The emphasis during the final two weeks of the cycle is to reinforce training conducted during week one as well as to prepare the Corps of Cadets for the Cresting Ceremony and Parade. Throughout the training cycle the MMI motto of “Truth, Honor, Service” is reinforced throughout the Corps of Cadets.

The Cresting Parade and awarding of the MMI Crest serves as the culminating events of the ITC. Upon completion of the ITC, a “recruit” is then referred to as a “cadet” and is entitled to all cadet privileges. A cadet must remember that the post-ITC experience continues to be characterized by challenge, but this challenge is increasingly easier to bear since the cadet is developing greater self-confidence, self-discipline, and teamwork.

With few exceptions, during the ITC all recruits assume the cadet rank of private. Upon completion of the ITC newly inducted cadets are eligible for immediate promotion to the rank of private first class.

### **A.2 Requirements**

To become a cadet, a student must successfully accomplish all requirements on the ITC Checklist including memorizing the Honor Pledge, Alma Mater, and the Cadet Creed. The ITC lasts at least three weeks and until the student is crested, he/she has no leave privileges unless specifically approved by the Commandant of Cadets under emergency situations.

Recruits will not walk on grass. Recruits will carry their backpack in their left hand during the ITC Cycle. Other requirements may be imposed as approved by the senior TAC Officer or Commandant of Cadets.

### **A.3 Cadet**

“Cadet” is the traditional term for students who have completed the ITC and earned their MMI Crests. Cadets have all the privileges and responsibilities of the Corps of Cadets.
