

MMI FAMILY WEEKEND

FREQUENTLY ASKED QUESTIONS

1. **Where do I go when I arrive?**

Registration is in the QM. Guest parking will be in the Event Parking Lot. Handicap parking will be in the visitors' parking area in front of the administrative building and in the small parking lot adjacent to the QM. Cadets and signage will be stationed around campus to help you find your way.

2. **What is the attire for the weekend?**

Casual attire is acceptable.

3. **Can I take my cadet off campus during the weekend?**

On Friday, cadets will have dinner leave only between 4:15 pm and 9:00 pm. On Saturday, cadets may not leave campus until after the lowering of the colors after all scheduled events are complete (around 3:00 pm). Cadets must return to campus before 9:00 pm on Sunday.

4. **Where do I meet my cadet when I arrive?**

Since each cadet's schedule is different depending on the classes and activities they participate in, you should coordinate with your cadet directly to arrange when and where to meet with them. We recommend using the QM Student Center as a meeting point with your cadet.

5. **Will there be transportation assistance around campus to events that are not centrally located?**

Yes. Transportation for those needing assistance will be available.

6. **Are pets allowed on campus?**

Pets on campus can pose a significant risk to the MMI community. Because of safety and hygienic considerations, animals may not be brought to campus except in the following circumstances:

Exemptions:

- Certified service animals providing assistance to disabled persons or for emergency personnel.
- Staff pets under special authorization.
- Domesticated animals that are brought onto campus for specific events in a controlled environment (i.e. "Puppies on the Quad").
